UNSTARRED QUESTION NO. 3159 TO BE ANSWERED ON: 09.08.2024

INCREASE IN FERTILIZER QUOTA

3159: SHRI Y S AVINASH REDDY:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

- (a) whether the Government has details of the fertilizers supplied to each State across the country including Telangana, to meet the growing needs of farmers during the last three years;
- (b) if so, the details thereof, season-wise and year-wise;
- (c) the details of demands received from each State along with the action taken thereon till date;
- (d) whether there is heavy demand to increase the fertilizer quota in view of increase of production of various agricultural related food and other items with the increase and storage of irrigation water; and
- (e) if so, the details thereof and if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS
(SMT. ANUPRIYA PATEL)

(a) & (b): The availability of fertilizers i.e. Urea, DAP, MOP and NPKS has remained comfortable across the States in the country including the State of Telangana during the last 3 years (till July 2024). The details of fertilizers supplied to each State along with the demand is enclosed at **Annexure - A**.

(c): In order to ensure the adequate availability of fertilizers to the farmers, Government of India assess the requirement of major fertilizers, namely Urea, DAP, MOP and NPKS fertilizers, before each cropping season (viz. Rabi and Kharif). This assessment is made through "Zonal Conferences for Agricultural Inputs" organised by the Department of Agriculture and Farmers Welfare (DA&FW). At the conference, the State Governments/UTs present their projected requirements for these fertilizers. The requirement of fertilizers is assessed by taking into account the projected gross cropped area, irrigated area, last three seasons' consumption pattern and crop wise recommended dose of fertilizers as per soil Health fertility status etc. Thereafter, the requirement of fertilizers assessed by DA&FW is intimated to the Department of Fertilizers, which is tasked to ensure comfortable availability of fertilizers by issuing monthly supply plans. Further, the details of the demand of fertilizers received from the States for Kharif 2023 and Rabi 2023-24 is enclosed at **Annexure - B**.

(d) & (e): The overall demand of fertilizers during last 3 years is given below:

DEMAND OF FERTILIZERS DURING THE FY 2021-22 TO 2023-24
