ANSWER

MINISTER OF PORTS, SHIPPING AND WATERWAYS
(SHRI SARBANANDA SONOWAL)

(a) to (d) A list of shipyards (in public sector and private sector) in the country is attached at Annexure-I. As per the data available in SBFA (Shipbuilding Financial Assistance) portal, total number of shipyards (public sector and private sector) registered in the portal is 39. The total number of contracts approved for in-principle application, before the actual release of financial assistance, is 187. These 187 in-principle applications are for 313 vessels. List of in-principle approved applications is at Annexure-II. As per UNCTAD data (2023), share of Indian Shipbuilding is about 0.06% of the global scenario. The 'Indian Navy Indigenisation Plan 2015-30' (INIP 2015-30) was promulgated in 2015 to provide a list of Indian Navy's indigenisation requirements for the period 2015 to 2030. The revised INIP titled 'Swavlamban' was promulgated in Aug. 20. Subsequently, its updated version 'Swavlamban 2.0' has been released in Oct. 23. Till date, 109 items planned for indigenous development have been completed.
