TO BE ANSWERED ON: 24.07.2024

SOFTWARE TECHNOLOGY PARK

422. SHRI RAJESH VERMA:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) whether the Government has received any proposals for setting up of Software Technology Parks (STPs) and electronic hubs in the country;
- (b) if so, the details thereof, State-wise;
- (c) whether the Government has taken action to set up such parks, electronic hubs and Hardware Technology Parks in Bihar; and
- (d) if so, the details thereof along with the time by which the proposals are likely to be approved?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

(a) and (b): Yes, Sir. Based on the proposals received from respective State Government(s), Software Technology Parks of India (STPI), an autonomous society under Ministry of Electronics and Information Technology (MeitY) has set-up 65 STPI centres across the country. Further, Government of India has also approved 20 new STPI centres across the country. State/UT-wise list of existing and newly approved STPI Centres are at Annexure-I and II.

Apart from setting up of STPI centre as above, Ministry of Electronics and Information Technology (MeitY) had notified Electronics Manufacturing Clusters (EMC) Scheme in October, 2012 to provide support for the creation of world-class infrastructure along with common facilities and amenities for attracting investments in the electronics sector. The Scheme was closed for receipt of applications from October, 2017. Under the Scheme, nineteen(19) Greenfield Electronics Manufacturing Clusters(EMCs) and 3 Common Facility Centres (CFCs) were approved in 15 States across the country.

Based on further requirement for strengthening of infrastructure and to create robust electronics manufacturing ecosystem in the country, MeitY has introduced Modified Electronics Manufacturing Clusters (EMC 2.0) Scheme on 1st April, 2020. Till date, 5 applications for setting up of EMC project and 1 application for setting up of Common Facility Centre, have been approved in 6 states across the country. The details of the applications approved under EMC & EMC 2.0 are at Annexure-III & IV respectively.

(c) and (d): Currently, two (2) STPI Centres are operational in Bihar at Patna and Bhagalpur. Further, Government of India has approved one (1) new STPI Centre at Darbhanga (Bihar) which is ready for operationalization. Currently, there is no proposal under consideration of Government of India to set-up STPI Centre or EMC in the State of Bihar.
