**ANSWER**

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) Under the Government of India's Skill India Mission (SIM), the Ministry of Skill Development and Entrepreneurship (MSDE) delivers skill, re-skill and up-skill training to youth through an extensive network of skill development centres/institutes under various schemes viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Sikhshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs) across the country including Jharkhand. The number of candidates trained in the State of Jharkhand during last three years (2021-22 to 2023-24) under the above schemes are as under:

| Schemes | No. of Trained Candidates |
|---------|---------------------------|
| PMKVY   | 33007                     |
| NAPS    | 17503                     |
| JSS     | 57623                     |
| CTS     | 89257                     |

(b) To synergize initiatives of skill development in the country and overcome the regional imbalance, the schemes of MSDE focus on implementation of training interventions with participation of States and Districts through State Skill Development Mission (SSDMs) and District Skill Committees (DSCs). DSCs are mandated with formulating District Skill Development Plans (DSDPs) to promote decentralized planning and implementation at the grassroots.

Further, to encourage training in Special Areas, which includes North Eastern States, Hilly States and Districts affected by Left Wing Extremism, special provisions in Costing Norms for training have been made. This includes an additional 10% over

and above the Base Cost, for training programmes conducted in these areas, support for boarding and lodging for trainees from Special Areas undergoing training outside these special areas and to and fro transport cost for candidates from Special Areas undergoing training outside Special Areas. Government is also providing financial assistance for setting up and upgradation of Industrial Training Institutes (ITIs) through its schemes i.e. Enhancing Skill Development Infrastructure in North Eastern States and Skill Development in 48 Districts affected by Left Wing Extremism (LWE).

(c) Placements were tracked under Short Term Training (STT) component of PMKVY in the first three versions of the scheme which is PMKVY 1.0, PMKVY 2.0 and PMKVY 3.0 implemented from FY 2015-16 to FY 2021-22. Placement is delinked from PMKVY 4.0, the current version of the scheme under implementation from FY 2022-23 onwards.

The State-wise number of trainees reported placed and sector-wise number of trainees reported placed for the last three years under PMKVY are at **Annexure- I and II** respectively.
