ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY (SHRI JITIN PRASADA)

(a) to (d): Ministry of Electronics and IT ("MeitY") has issued advisories from time to time, to intermediaries/platforms for ensuring compliance with applicable laws including The Information Technology Act, 2000 and rules made thereunder. These advisories are issued after consultations with stakeholders. The Government is committed to harnessing the power of emerging technologies such as Artificial Intelligence ("AI") for the good of our people, while containing the risks that arise due to such use.
