ANTI INDIA ELEMENTS OPERATING ABROAD

884. SHRI KHALILUR RAHAMAN

Will the Minister of EXTERNAL AFFAIRS be pleased to state :-

(a) whether the Government has noticed that anti India elements are working from United States and Canada to destabilize the country; and

(b) if so, the diplomatic steps been taken against those who are interested to safeguard such elements for being citizens of respective countries?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS

(SHRI KIRTI VARDHAN SINGH)

(a) Government is aware that extremist elements of different kinds have been given political space to carry out their activities freely in Canada, especially against our diplomatic presence. There

have also been activities in the US against our diplomatic personnel and properties that are of concern to us.

(b) The Government of India, including through its diplomatic Missions and Posts, has engaged with the governments of Canada and the US and urged them to not only take action against these elements under their respective domestic laws, but also to ensure adequate safety and security of our diplomatic properties and personnel as per relevant international conventions.
