GOVERNMENT OF INDIA MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP LOK SABHA

UNSTARRED QUESTION NO-925

ANSWERED ON - 29.07.2024

UPGRADATION PLAN FOR INDUSTRIAL TRAINING INSTITUTES (ITIS)

925. SMT. POONAMBEN HEMATBHAI MAADAM

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) Whether the Government has any plans for upgradation for Industrial Training Institutes (ITIs), if so, the details thereof;
- (b) whether the Government has fixed any timeline for the completion of the ITI upgradation projects;
- (c) if so, the details thereof and the key milestones;
- (d) whether the Government is ensuring that ITI instructors are adequately trained and equipped; and
- (e) if so, the details thereof?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) The Directorate General of Training (DGT) under the Ministry of Skill Development & Entrepreneurship (MSDE) is responsible for running the Craftsman Training Scheme (CTS) run mainly implemented through the Industrial Training Institutes (ITIs). The ITIs are under the administrative and financial control of the State Government. However, the broad framework for providing CTS training, including affiliation of ITIs, designing of courses, conducting exams, and certifying the trainees, is done by the DGT.

The DGT also runs schemes, from time to time to provide support to the State Governments for the upgradation of ITIs. Till recently, the DGT was implementing three schemes, namely "Skills Strengthening for Industrial Value Enhancement (STRIVE)," "Upgradation of Existing Government ITIs into Model ITIs (Model ITI)," and "Enhancing Skill Development Infrastructure in NE States (ESDI)," to provide financial assistance to State Governments for the upgradation of existing Government Industrial Training Institutes (ITIs) in the country.

Under the STRIVE scheme, 500 ITIs (which include 467 Government and 33 Private ITIs) were selected and financial assistance of an average Rs.1.7 crore per ITI was provided for upgradation of the ITI and for enhancing the industry relevance of the training by upgrading labs, equipment, and tools etc. Model ITI scheme envisaged the

upgradation of 35 selected government ITIs into Model ITIs with financial assistance of up to Rs. 10 crore per ITI for equipment upgradation and civil works. The ESDI scheme offered support to ITIs in the North Eastern states. It envisgaed the upgradation of 22 existing ITIs (@ Rs. 2 crore per ITI) by establishing 3 new trades in each ITI; supplementing deficient infrastructure in 28 ITIs (@ Rs. 2 crore per ITI) by constructing new boundary walls, new hostels, and supplementing old and obsolete tools and equipment for 3 existing trades in each ITI; and establishing 34 new ITIs (@ Rs. 9.5 crore per ITI).

- (b) & (c) The implementation of the mentioned schemes under (a) is done by the respective state governments, and no timelines have been defined by the central government. However, the states are constantly encouraged to submit the Utilisation Certificate (UCs) and complete the milestone at the earliest before the release of next tranche of funds. The funds are released by the Central government in tranches and the subsequent tranche is released only after submitting of UCs and progress report by the state government, for the fund provided in previous tranche. The sunset date for ITI upgradation under STRIVE was 30 May 2024, and for "Upgradation of existing Government ITIs into Model ITIs" and "Enhancing Skill Development Infrastructure in NE States" was 30 March 2024, beyond which no financial assistance is being provided.
- (d) The training of instructors is the administrative responsibility of the respective state governments. However, the Directorate General of Training (DGT) under the Ministry of Skill Development & Entrepreneurship (MSDE) is running the Craft Instructor Training Scheme (CITS) through a network of 33 National Skill Training Institutes (NSTIs) and 121 Institutes for Training of Trainers (IToTs) to train instructor trainees in the techniques of transferring hands-on skills and training methodology to the instructors of ITIs. Under the STRIVE scheme, multiple capacity-building initiatives were also undertaken to improve the quality of instructors. A total of 27,500 instructors were trained under the program, which included training in drone technology, training of trainers in employability skills, and training towards the adoption of NSQF alignment.
- (e) The list of NSTIs and IToTs is attached at Annexure-I

ANNEXURE REFERRED TO IN REPLY TO PARA (e) OF LOK SABHA UNSTARRED QUESTION No. 925 DUE FOR REPLY ON 29.07.2024
