SHRI SURESH KUMAR KASHYAP:	SHRI JUGAL KISHORE:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) whether the Government has taken steps under the Skill India Mission, for youth to upgrade their skills and whether these skills are helping them get jobs in relevant sectors, if so, the details thereof;
- (b) the number of candidates that have been trained under PMKVY; and
- (c) the number of candidates that have been trained in the States of Gujarat, Jharkhand, Chattr constituency, Himachal Pradesh, Shimla constituency, Uttar Pradesh Misrikh constituency, under PMKVY (Pradhan Mantri Kaushal Vikas Yojana), State-wise?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) In order to upgrade the skills of the youth and to help them get jobs in relevant sectors, the Ministry of Skill Development and Entrepreneurship (MSDE) under Skill India Mission delivers skill, re-skill and up-skill programme, through an extensive network of skill development Centres/ Institutes across the country, under various schemes viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsmen Training Scheme (CTS) through Industrial Training Institutes (ITIs) to all the sections of the society across the country. The SIM aims at enabling youth of India to get future ready & industry ready skills.

Following specific steps have been taken to align the training programs to market needs and improve the employability of trainees:

- i. The training programmes offered under the schemes of MSDE are developed in collaboration with industries, keeping in view market demands. 36 Sector Skill Councils (SSCs), led by industry leaders in the respective sectors, have been set up by National Skill Development Corporation (NSDC) which are mandated to identify the skill development needs of respective sectors as well as to determine skill competency standards.
- ii. Future ready job-roles addressing the requirement of Industry 4.0, emerging sectors like Drone, Artificial Intelligence (AI), Robotics, Mechatronics, etc., have been prioritized under PMKVY 4.0. Under CTS also, new age courses have been developed to meet the demand of futuristic job roles in emerging technologies.

- iii. The National Council for Vocational Education and Training (NCVET) has been set up as an overarching regulator establishing regulations and standards to ensure quality in the Technical and Vocational Education and Training (TVET) space.
- iv. The Awarding Bodies recognised by NCVET are expected to develop the qualifications as per the industry demand and map them with the identified occupations as per the National Classification of Occupation, 2015, of Ministry of Labour and Employment and obtain industry validations.
- v. Directorate General of Training (DGT) is implementing Flexi MoU Scheme and Dual System of Training (DST). These initiatives are meant to provide training to ITI students in industrial environment.
- vi. Courses aligned to National Skills Qualification Framework (NSQF) also have components of On Job Training (OJT) and employability skills.
- vii. DGT has also signed MoU with IT Tech companies like IBM, CISCO, Future Skill Rights Network (erstwhile Quest Alliance), Amazon Web Services (AWS) and Microsoft to ensure industry linkages for the institutes at the state and regional levels under Corporate Social Responsibility (CSR) initiatives.
- viii. NSDC, under the Market led program, provides support to training providers that collaborate and align skill courses with industry demand.
- ix. Under NAPS, apprenticeship training and increasing engagement with industrial establishments for undertaking apprenticeship programmes is promoted.
- x. Government of India has signed Migration and Mobility Agreement with ten countries viz., U.K.; France, Germany, Israel, Taiwan, Austria, Mauritius, Australia, Portugal and Finland for aligning skilling with demand in these countries.
- xi. Government of India has announced setting up of 30 Skill India International Centers for catering to the demand for skilled workers for foreign countries.

Among the schemes of MSDE, placements were specifically tracked only in the Short Term Training (STT) component of PMKVY in the first three versions i.e., PMKVY 1.0, PMKVY 2.0 and PMKVY 3.0 of the scheme implemented from FY 2015-16 to FY 2021-22. Under PMKVY4.0, the focus was to empower our trained candidates to choose their varied career path and they are suitably oriented for the same. Further various IT tools like skill India digital hub (SIDH) also gives this opportunity. The sector-wise number of candidates reported placed under STT component of PMKVY is given at Annexure-I.

(b) and (c) The number of candidates trained since inception and upto 31.10.2024 under PMKVY is as under;

All-India/State/District	Candidates Trained under PMKVY
Pan-India	1,57,55,371
Gujarat	4,67,349
Jharkhand	3,07,766
Chatra District	6,888
Himachal Pradesh	1,66,785
Shimla District	17,571
Uttar Pradesh	23,36,352
Sitapur (Misrikh)	18,327

ANNEXURE REFERRED TO IN REPLY TO PART (a) OF LOK SABHA UNSTARRED QUESTION NO. 139 TO BE ANSWERED ON 25.11.2024 REGARDING 'UPGRADATION OF SKILLING OF YOUTH UNDER SKILL INDIA MISSION'.

Sector-wise number of candidates reported placed under STT component of PMKVY since 2015-16 upto 31.10.2024
