ANSWER

THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH

(SHRI PRATAPRAO JADHAV)

</div>

(a) to (d) Government of India has adopted a strategy of Co-location of Ayush facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), thus enabling the choice to the patients for different systems of medicines under a single window. The engagement of Ayush doctors/ paramedics and their training is being supported by the Ministry of Health & Family Welfare under National Health Mission (NHM), while the support for Ayush infrastructure, equipment/ furniture and medicines is being provided by the Ministry of Ayush under National Ayush Mission (NAM), as shared responsibilities. The State/UT status of co-located Ayush facilities at PHCs, CHCs and DHs is furnished at **Annexure.**

Further, the health promotion and prevention is an integral part of comprehensive primary health care that includes counselling for healthy diet and lifestyle, marathons, cyclothons, Yoga, meditation, Zumba, celebration of annual health days etc. ensuring wellbeing of the community. To mainstream Yoga into the health care delivery system, regular Yoga sessions are being conducted at the functional Ayushman Arogya Mandir (AAMs).
