ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) to (c): Under the provisions of the Minimum Wages Act 1948, the Central Government and the State Governments, as appropriate Government, fix, review and revise the minimum wages of the employees employed in the Scheduled employments under their respective jurisdictions. Accordingly, the minimum rates of wages in the Scheduled employments in the Central sphere were revised by the Central Government in 2017. Further, in order to take care of the rising prices, the Central Government revises the Variable Dearness Allowance (V.D.A) on basic rates of minimum wages every six months, effective from 1st April and 1st October of every year on the basis of Consumer Price Index for Industrial workers. Latest V.D.A. as applicable from 01.10.2024 is at Annexure.

Contd..2/-

The provisions of the Minimum Wages Act 1948 empower both the Central Government and the State Governments, as appropriate Governments, to fix, periodically review, and revise the minimum wages of employees employed in the Scheduled Employments under their respective jurisdictions. The minimum wage rates are, therefore, determined and revised according to the specific needs and economic conditions of each region, which results in variations across different States and sectors.
