ANSWER

**THE MINISTER OF YOUTH AFFAIRS & SPORTS
{ DR. MANSUKH MANDAVIYA }**

(a) to (c) 'Sports' being a State subject, the responsibility of development of sports infrastructure, including in the tribal areas of the country, rests primarily with the State/Union Territory Governments. The Union Government supplements their efforts by bridging critical gaps. Further, the Khelo India Scheme is a demand-driven scheme. The proposals received from the State/UT Governments and other eligible entities are considered for financial support, subject to their completeness, technical feasibility and availability of funds under the Scheme. As per the existing guidelines of the Khelo India Scheme, the timeline of completion of infrastructure projects sanctioned under the Scheme is two years from the date of its sanction. The responsibility of executing the projects rests with the grantee.

The details of the sports infrastructure sanctioned along with their financial implications under Khelo India Scheme and National Sports Development Fund across the country, including in the NCT of Delhi, are available in public domain on the dashboard of the Ministry at <https://mdsd.kheloindia.gov.in> and <http://www.nsdf.yas.gov.in/nsdf-glance.html>.
