- (b) whether any action is being taken by the Government regarding the said announcement; and**
- (c) if so, the time by which the work on the said road is likely to start?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (c) National Highways Authority of India (NHAI) has taken up Detailed Project Report (DPR) preparation for development of Deshgaon to Julwania section of National Highway (NH) No. 347B to four-lanes NH standards. The decision on the project would be by the Government based on outcome of DPR and inter-se-priority.

Julwania to Thikri section of NH – 347B is an overlap with NH – 52 and already developed to four-lanes NH standards, while the work for development of Thikri to Anjad section of NH – 347B to two-lanes with paved shoulders NH standards, based on present traffic requirements, is under implementation.

As regards Anjad – Barwani section of NH – 347B, the DPR for two-laning with paved shoulders based on present traffic requirement is finalized and the work would be sanctioned by the Government based on inter-se-priority and overall availability of funds.
