UNSTARRED QUESTION NO. 3066
TO BE ANSWERED ON 13th DECEMBER, 2024**

AYUSHMAN BHARAT HEALTH INFRASTRUCTURE MISSION IN MYSURU

3066. SHRI YADUVEER WADIYAR:

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the status of the PM-Ayushman Bharat Health Infrastructure Mission (PM-ABHIM) in rural areas of Mysuru district including Periyapatna and Hunsur, district/area-wise; and
(b) the details of the status of trauma care centres and primary health facilities under PM-ABHIM being implemented in these regions, region-wise?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(SHRI PRATAPRAO JADHAV)**

(a) & (b) Pradhan Mantri Ayushman Bharat Health Infrastructure Mission (PM-ABHIM) is a Centrally Sponsored Scheme (CSS) with some Central Sector Components (CS) which has an outlay of Rs.64,180 Crores for the scheme period (2021-22 to 2025-26).

The scheme envisages a new generation of reforms to integrate and strengthen health service delivery and public health action. The measures under the scheme are aimed at strengthening health systems and institutions in order to provide a continuum of care at all levels, namely primary, secondary, and tertiary, as well as preparing health systems to respond effectively to current and future pandemics and disasters.

The CSS components of PM-ABHIM is implemented by following the existing framework, institutions and mechanisms of the National Health Mission. As Public Health & Hospital are State subjects, implementation of the scheme lies under the purview of State Government. However, MoHFW provides technical and financial support to the States/UTs for effective implementation of the scheme.

Under the CSS components of the scheme, following are the five activities where support is provisioned to the State/UTs during the scheme period (2021-2026):

- Construction of 17,788 Building less Sub-Centres as Ayushman Bharat- Health & Wellness centres, now known as Ayushman Arogya Mandir (AAM).
- Establishment of 11,024 Health & wellness Centres, now AAM in Urban areas with a focus on slum and slum like areas are envisioned.
- Establishment of 3382 Block Public Health Units (BPHUs) at the block level.

- Establishment of 730 District Integrated Public Health Labs in the country, wherein each district will have one such lab.
- Establishing 602 Critical Care Hospital Blocks in all districts with population more than 5 lakhs.

Under the scheme, an amount of **Rs.2021.88 Crore** is provisioned for the State of Karnataka during scheme period for establishment and strengthening of **736 Urban – Health & Wellness Centers (U-HWC/AAM), 30 Integrated Public Health Labs (IPHLs) and 30 Critical Care Hospital Blocks (CCBs)**.

Administrative approvals have been accorded to the State of Karnataka, for four years (i.e. FY 2021-22, 2022-23, 2023-24 & 2024-25) for an amount of **Rs 1168.71 Cr.** for establishment and strengthening of **817 Urban – Health & Wellness Centers (U-HWC/AAM), 21 Integrated Public Health Labs (IPHLs) and 21 Critical Care Hospital Blocks (CCBs)**, as per proposal of the State.

The administrative approvals accorded for FY 2021-22 to FY 2024-25 under PM-ABHIM in **Mysore district** are as under:

1. **Urban – Health & Wellness Centers (U-HWC/AAM):** 23 Urban AAM approved in Mysore district.
2. One **Integrated Public Health Lab** at Mysore District Hospital @ Rs. 1.25 Crore (2023-24).
3. One **50 bedded CCB** at **Mysore Medical College & Research Institute (MMCRI)** @23.75 Crore (2024-25). Critical Care Block (CCB) **aims to augment the capacity of the district for assured treatment** and management of patients with infectious diseases or critical illnesses. It would have the functional units such as Emergency area, Intensive Care Unit (ICU) / High Dependency Unit (HDU), Isolation Wards/Oxygen supported beds, Surgical unit/OT, MCH, Dialysis etc.
