- (d)whether the task forces aim to provide recommendations and targeted intervention measures, including infrastructure improvement and department-specific schemes in this regard and its effect on economy also and the corrective steps being taken/results yielded area-wise including drought areas?

ANSWER

MINISTER OF STATE FOR LABOUR AND EMPLOYMENT (SUSHRI SHOBHA KARANDLAJE)

(a) to (d): As per the Census 2011 conducted by the Government of India, the total number of persons who moved for work and employment were 4.14 crore. The migration takes place for various reasons. Migration of workers from one state to another state is continuous process and dynamic in nature. In order to safeguard the interest of the migrant workers, the Central Government had enacted the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979. This Act has now been subsumed in the Occupational Safety, Health and Working Conditions (OSH) Code, 2020. The OSH Code provides for decent working conditions, grievance redressal mechanism, toll free helpline, and social security for workers including migrant workers.

The Ministry of Labour and Employment has also launched the eShram- "One-Stop-Solution" on 21st October 2024. eShram-"One-Stop-Solution" entails integration of different Social Security/ Welfare schemes in single portal i.e., eShram. This enables unorganised workers registered on eShram to access social security schemes and see benefits availed by them, through eShram. So far, twelve (12) Social Security/ Welfare Schemes have been integrated/ mapped with eShram, which includes: - Mahatma Gandhi National Rural Employment Guarantee Act, National Social Assistance Programme (Indira Gandhi National Disability Pension Scheme, Indira Gandhi National Widow Pension Scheme, National Family Benefit Scheme) Pradhan Mantri Awas Yojana – Gramin (PMAY-G), etc.
