**: Export till date 25.11.2024*

(b) and (c). The Ministry of Food Processing Industries has not allocated any specific fund to incentivize the industries for producing the organic products. However, Agricultural and Processed Food Products Export Development Authority (APEDA) under Ministry of Commerce and Industries provides Financial Assistance to its member exporters, including exporters of organic food products, for:

- (i) Development of Export Infrastructure
- (ii) Quality Development
- (iii) Market Development

Further, APEDA is implementing the National Programme for Organic Production (NPOP). The programme involves the accreditation of Certification Bodies, standards for organic production, promotion of organic farming and marketing, etc. Under the National Programme for Organic Production (NPOP), operators are certified as per their scope of operation such as production, processing and trading. The total number of organic certified processing units under National Programme for Organic Production in India are 1016. State wise number of organic certified processing units is at **Annexure**.
