(a) to (c): The data on Employment and Unemployment is collected through Periodic Labour Force Survey (PLFS) which is conducted by the Ministry of Statistics and Programme Implementation (MoSPI) since 2017-18. The survey period is July to June every year.

As per the Annual PLFS 2023-24 Reports, the estimated Unemployment Rate (UR) according to usual status for Youth (age group 15-29 years) for the State of Jharkhand is 3.6%.
