- (g) whether any decline has been observed in the number of people trained and appointments given under the said yojana after the pandemic as well as completion of the training programme, if so, the details thereof and the corrective steps taken by the Government in this regard?

ANSWER MINISTER OF RURAL DEVELOPMENT (SHRI SHIVRAJ SINGH CHOUHAN)

(a) to (g): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (g) OF THE LOK SABHA STARRED QUESTION NO. 345 FOR ANSWER ON 25.03.2025

(a), (b), & (d): DeenDayalUpadhyay-GrameenKaushalyaYojana (DDU-GKY) is an ongoing scheme being implemented in the country including the States of Andhra Pradesh and Tamil Nadu. The Yojana is a placement-linked market driven skill development program for rural poor youth in the age group of 15-35 years. It empowers the rural poor youth with employable skills and facilitates their participation in regular labour markets, thus providing them with jobs having regular monthly wages at or above the minimum wages.

DeenDayalUpadhyay-GrameenKaushalyaYojana follows a 3-tier implementation architecture for implementation. The Ministry of Rural Development is responsible for policy, funding of central share and technical support, while State Rural Livelihood Missions (SRLMs) / State Skills Missions (SSMs) are responsible for funding of State share, implementation and monitoring controls. Project Implementing Agencies (PIAs), which are mostly private training partners, are responsible for mobilization, training and placements. State-wise details of candidates trained and placed including in the State of Tamil Nadu under the Yojana during the last three and current financial year are given in Annexure-I.

- (c): State-wise details of the women candidates trained under DDU-GKY during the last three and current financial year are given in Annexure-II.
- (e): The training being imparted to the youths under DDU-GKY is based on the qualification packs approved by National Skills Qualification Committee (NSQC) of National Council for Vocational Education and Training (NCVET), Ministry of Skill Development and Entrepreneurship (MSDE). The training consists of theory, practical and on-the job training (OJT) imparted in domain skills, computer skills, soft skills and English skills.

The details of active training centres in Andhra Pradesh and Tamil Nadu particularly in Chennai, Coimbatore and Madurai districts are given in Annexure-III and the details of funds allocated and funds spent / released during the last three and current financial year are given in Annexure-IV.

- (f): No special education or skill development project has been formulated under DDU-GKY in Tamil Nadu.
- (g): After the pandemic there was a decline in the number of people trained and appointments given under the scheme. However, the following corrective steps were taken by the Government in this regard:
 - Project Implementing Agencies were allowed extension of project implementation period from 3 to 6 years.
 - Provision for alternative procedure for conducting placement verification through Kaushal Bharat Mobile App was provided.
 - Apart from above, Ministry has initiated Captive Employment Programme under the Scheme for assured placements of the candidates.
 - Ministry has also revised the existing guidelines for increased placement period, batch-mode payment to the implementing agencies, etc. The revised version of DDUGKY will be implemented with effect from 1st April, 2025.
 - For the next Financial Year 2025-26, an allocation of ₹ 750 Crore (tentatively) has been kept as Central Share and the training target for approximate 1,49,000 candidates.

After taking corrective steps, the number of trained and placed candidates have shown an upward move.
