- (e) whether the Government is considering to create a special investigation unit for bank fraud related cases and if so, the details thereof?

ANSWER

<u>FINANCE MINISTER</u> (SMT. NIRMALA SITHARAMAN)

(a) to (e): A statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (e) in respect of Lok Sabha Starred Question No. *4 for reply on 03.02.2025 regarding Fraud Cases in Banks asked by Dr. D. Purandeswari and Dr. Shrikant Eknath Shinde.

(a) to (e): Bank-wise and year-wise details of frauds in Commercial Banks and All India Financial Institutions (AIFIs), in respect of amount involved of Rs. 1 lakh and above in each case and by the date of occurrence, for the last five financial years and the current financial year till December 2024 are at **Annex**.

As per the Master Directions on Fraud Risk Management by the Reserve Bank of India (RBI), banks are required to report the incidents of fraud immediately to different law enforcement agencies (LEAs), *viz*. the Central Bureau of Investigation, State Police, *etc.*, depending on the amount involved in the fraud. RBI has apprised that information regarding average investigation time in bank fraud cases is not maintained by it.

Comprehensive steps have been taken to keep a check on the banking frauds and deter fraudsters, enabled by which amount involved in frauds based on the date of occurrence has declined from Rs. 33,757 crore in FY 2019-20 to Rs. 4,224 crore in FY 2023-24, and further to Rs. 837 crore in FY 2024-25 (up to December 2024).

Steps taken by the government over the last few years to prevent and to deter instances of bank frauds, to address issues related to loan defaults and to expedite the investigation of bank fraud cases include, *inter alia*, the following:

- An online searchable database of frauds reported by banks, in the form of Central Fraud Registry, has been set up by the RBI to enable timely identification, control and mitigation of fraud risk.
- (ii) Credit discipline was instilled through—
 - (a) enactment of the Insolvency and Bankruptcy Code; and
 - (b) setting up of the Central Repository of Information on Large Credits (CRILC) by RBI to collect, store and disseminate credit data to lenders.
- (iii) Under the PSB Reforms Agenda, comprehensive and automated Early Warning Systems (EWS) were instituted in PSBs, with ~80 EWS triggers and use of third-party data for time-bound remedial actions in the borrowing accounts to proactively detect stress and in turn reducing slippage into NPAs.
- (iv) The Fugitive Economic Offenders Act has been enacted to provide for measures to deter fugitive economic offenders from evading the process of law in India by staying outside the jurisdiction of Indian courts.
- (v) PSBs have been advised to obtain certified copy of the passport of the promoters/directors and other authorised signatories of companies availing loan facilities of more than Rs. 50 crore.
- (vi) Prudential Framework for resolution of stressed assets was issued by RBI to provide a framework for early recognition, reporting and time bound resolution of stressed assets, with a build-in incentive to lenders for early adoption of a resolution plan.
- (vii) Banks have been advised by RBI to report deficient third-party services (such as legal search reports, property valuers' reports, *etc.*) and collusion of these service providers

with fraudsters to the Indian Banks' Association, which maintains a caution list of such service providers.

- (viii) The Indian Cyber Crime Coordination Centre (I4C) has operationalised Citizen Financial Cyber Fraud Reporting and Management System (CFCFRMS) portal for immediate reporting of financial frauds and to stop siphoning-off of funds by the fraudsters. Up to January 2025, than Rs. 3,919 crore has been saved in more than 11.20 lakh complaints.
- (ix) Cyber Fraud Mitigation Centre (CFMC) has been established at I4C with representatives of major banks, Financial Intermediaries, Payment Aggregators, Telecom Service Providers, IT Intermediaries and States/UTs Law Enforcement Agencies (LEAs) to work together for immediate action and seamless cooperation to tackle online financial crimes.
- (x) Seven Joint Cyber Coordination Teams (JCCTs) have been formed to foster a close cooperation among LEAs during interstate cybercrime investigations. It focuses on operational cooperation in parallel investigations in various States/UTs.
- (xi) National Cyber Forensic Laboratory has been setup as a facility for forensic analysis and investigation of cybercrime by use of the latest digital technology to support investigations undertaken by LEAs.

Enabled by the aforesaid measures, gross non-performing assets of PSBs have declined to Rs. 3.16 lakh crore (gross NPA ratio of 3.09%) in September 2024 (provisional data) from Rs. 7.40 lakh crore (gross NPA ratio of 11.59%) in March 2019, and the slippage ratio has declined to 1.13% from 3.96% during the said period.

With regard to creation of special investigation unit for bank frauds, CBI already has its Banking Security and Fraud Branch for investigation of bank fraud cases and State Police also has Economic Offence Wing, which undertakes investigation, *inter alia*, of bank fraud cases. Further, no such proposal is currently under consideration of the government for creating a special investigation unit for bank fraud related cases.
