The Union Government supplements their efforts by bridging critical gaps. The receipt of proposals from eligible entities under the schemes of this Ministry is a continuous process. The proposals received from the State/UT Governments and other eligible entities are considered for financial assistance, subject to their completeness, technical feasibility and availability of funds under these schemes. The details of the sports infrastructure projects approved with their sanctioned cost, funds released and their physical and financial progress, under Khelo India Scheme, across the country, including in the State of Rajasthan, are available in public domain on the dashboards of the Ministry at <https://mdsd.kheloindia.gov.in>.
