ANSWER

MINISTER OF STATE FOR SOCIAL JUSTICE AND EMPOWERMENT (SHRI B.L.VERMA)

- (a) & (b): Rashtriya Vayoshri Yojana (RVY) is a Central Sector Scheme being implemented through 'Artificial Limbs Manufacturing Corporation (ALIMCO)', (a Public Sector Undertaking under this Ministry) for distribution of aids & assistive devices to senior citizens(above 60 years of age) including Divyangjans. Steps taken for smooth and speedy implementation of the scheme are as under:
 - i. The assessment and distribution camps are directly organized by ALIMCO in consultation with the concerned States/ UTs, where the number of beneficiaries is less than 1,000.
 - ii. ALIMCO, in collaboration with State/District Administration, after adequate awareness generation, identifies the beneficiaries in a district by a team of doctors/technicians/other professionals to assess their needs and to prescribe the requisite Assisted Living Devices in the Assessment Camps. The devices are then distributed to the identified beneficiaries in the distribution camp.
- iii. Convergence has been done in the assessment of beneficiaries under Rashtriya Vayoshri Yojana(RVY) with the Assistance to Persons with Disabilities for Purchase/Fitting of Aids and Appliances (ADIP) Scheme of the Department of Empowerment of Persons with Disabilities.
- iv. Number of devices distributed under Rashtriya Vayoshri Yojana (RVY) have been increased from 8 to 17.
- v. The data of the beneficiaries is captured on the ARJUN Portal.

- 2. In addition to the above, the Department of Empowerment of Persons with Disabilities is implementing the Scheme of 'Assistance to Persons with Disabilities for Purchase/Fitting of Aids and Appliances (ADIP)' under which funds are released to various Implementing Agencies to assist eligible persons with disabilities in procuring durable, sophisticated and scientifically manufactured, modern, standard aids and appliances that can promote their physical, social and psychological rehabilitation by reducing the effects of disabilities and enhancing their economic potential throughout the country.
