## **ANSWER**

### **MINISTER OF STATE IN THE MINISTRY OF FINANCE**

#### **(SHRI PANKAJ CHAUDHARY)**

(a): The details are provided in Annexure-A.

(b) to (c): Financial grants-in-aid under Externally Aided Projects (EAP) category are availed from bilateral / multilateral institutions and are distinct from EAP loans. These grants are typically offered as aid without any repayment obligations. All requests for external assistance are submitted through the EAP Portal (<https://eapdea.gov.in/>) managed by the Department of Economic Affairs. In this context, the Government of Andhra Pradesh submitted a proposal on 26 September 2024, bearing ID number 12425, titled *The Amaravati Inclusive and Sustainable Capital City Development Programme- Technical Assistance (TA)*, having a grant component of USD 1.5 million. The Asian Development Bank approved the grant component on 12 December 2024, and the agreement was signed between the Government of Andhra Pradesh and the Asian Development Bank on 20<sup>th</sup> December 2024. The disbursement of funds under this grant is yet to commence. Meanwhile, another on-going project, titled *Indo-German Global Academy for Agroecological Research and Learning* (Project ID: 11149), was signed on 30<sup>th</sup> June 2022 with the German bilateral agency KfW and has an approved grant component of Euro 20 million. As of December 2024, Euro 5.57 million has been disbursed to the Government of Andhra Pradesh.

(d): The High-Level Committee (HLC), under the Disaster Management Act, had recommended an amount of Rs. 737.60 crore from NDRF, subject to the adjustment

of 75% of the balance available in the SDRF account of the State for the Hudhud disaster in 2014-15. After adjustment of 75% of the balance available in the SDRF account of Andhra Pradesh, Rs. 550.97 crore was released to the State Government from NDRF. An additional ₹8.13 crore was released from the special component of the National Rural Drinking Water Programme (NRDWP) for the repair of damaged drinking water supply infrastructure. The Government of Andhra Pradesh has reported full utilization of these funds. Subsequently, to restore, improve, and enhance the resilience of public services, environmental facilities, and livelihoods in Targeted Communities and to enhance the capacity of state entities to respond promptly and effectively to an eligible crisis or emergency, the World Bank-funded *Andhra Pradesh Disaster Recovery Project* (IDA-56940) was approved by the World Bank Board on 17 June 2015. The project was initially approved for a loan component of USD 250 million. However, after a portion of the loan was cancelled, the revised loan amount stood at \$157.5 million. Out of this, the World Bank disbursed USD 141.4 million to the Government of Andhra Pradesh as of the project closure at the end of March 2022.

(e) No such proposal has been received through the DEA's EAP portal, which is the single window mechanism for seeking external financial aid from bilateral and multilateral development institutions.
