ANSWER

MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS AND MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

[SHRI HARSH MALHOTRA]

(a) : There is no provision for allocation of CSR funds under the CSR legal framework. However, on the basis of the filings made by the companies in the MCA21 registry, the sector-wise CSR expenditure in Maharashtra for the last five financial years (FYs) from 2018-19 to 2022-23 is at Annexure-I. Parliamentary Constituency-wise data is not maintained centrally. However, district-wise CSR expenditure district in Maharashtra for the last five financial year from 2018-19 to 2022-23 is at Annexure-II.

(b): Rule 8 of the Companies (CSR Policy) Rules, 2014 provides that every company having average CSR obligation of 10 crore rupees or more in the three immediately preceding financial years, shall undertake impact assessment, through an independent agency, of their CSR projects having outlays of one crore rupees or more, and which have been completed not less than one year before undertaking the impact study. Impact assessment reports shall be placed before the Board of the company and shall be annexed to the annual report on CSR. Thus impact assessment is undertaken by the company and assessment is reviewed by its Board.

(c): The Ministry does not maintain the details of completed/ ongoing projects-wise data. On the basis of the filings made by the companies in the MCA21 registry, the details of CSR expenditure in Osmanabad (Dharashiv) (aspirational district) in Maharashtra for the last five financial years (FYs) from 2018-19 to 2022-23 is included in Annexure II.

(d) & (e): CSR is a Board driven process and the Board of the company is empowered to plan, decide, execute and monitor the CSR activities based on the recommendations of its CSR Committee. The Board of the company is required to disclose the CSR Policy implemented by the company in its Board report and the Board of the company has to satisfy itself that the funds so disbursed have been utilised for the purposes and in the manner as approved by it, and the Chief Financial Officer or the person responsible for financial management shall certify to the effect. The details of CSR activities, Impact Assessment etc. are required to be reported by the companies in the 'Annual Report on CSR' including an annual action plan on CSR which is part of the Company's Board Report. The Government does not issue any directions to Corporates to spend in any particular area or activity.
