(a) & (b): The nationwide portability of ration cards is popularly known as One Nation One Ration Card (ONORC) feature. Through this technology driven reform, around 80 Crore PMGKAY beneficiaries are empowered to lift their entitled foodgrains from any Fair Price Shop (FPS) of their choice, anywhere in the country, by using their same existing ration card with biometric authentication on an electronic Point of Sale (ePoS) device. The family back home can also lift the part of the PMGKAY foodgrains in the home State/UT on the same ration card. ONORC is a universal feature for PMGKAY beneficiaries and no separate funds have been allocated for Telangana.

(c) & (d): ONORC feature is enabled in all 36 States/UTs, across the country (including Telangana), covering almost 100% PMGKAY beneficiaries. Since its inception more than 168.5 Crore portability transactions (including 12.62 crore portability transactions in Telangana) have been recorded under the ONORC feature, which includes both inter-State and intra-State transactions.
