GOVERNMENT OF INDIA MINISTRY OF RURAL DEVELOPMENT DEPARTMENT OF RURAL DEVELOPMENT

LOK SABHA UNSTARRED QUESTION NO. 336 ANSWERED ON 04/02/2025

CONSTRUCTION OF ROADS UNDER PMGSY

336. SHRI MALAIYARASAN D: SMT. GENIBEN NAGAJI THAKOR:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the total number of rural roads constructed and upgraded under the Pradhan Mantri Gram SadakYojana (PMGSY) during the last three years, State-wise including Tamil Nadu and Gujarat including the number of villages connected to allweather roads;
- (b) the funds allocated and utilized for the implementation of PMGSY during the said period, State-wise including Gujarat especially for Banaskantha district;
- (c) whether the Government has introduced any innovations or new technologies in road construction under PMGSY to ensure better durability, cost-effectiveness and environmental sustainability;
- (d) if so, the steps being taken to improve maintenance of roads constructed under PMGSY to ensure long-term usability and prevent road deterioration in rural areas; and
- (e) whether the Government is considering any expansion or reform to the PMGSY and if so, the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI KAMLESH PASWAN)

(a): A total of 8,34,716 Km road length has been sanctioned under various ongoing interventions/verticals of Pradhan Mantri Gram SadakYojna (PMGSY), out of which 7,71,641 Km road length has already been completed and upgraded as on date. The details of road length sanctioned and completed under PMGSY during the last three years, State-wise including Tamil Nadu and Gujarat is given at Annexure-I.

(b): The details of the Central share of funds released by the Ministry and expenditure incurred by the States (including State share) during each of the last three years, State-wise are given in Annexure-II.

Further, the funds for implementation of the scheme are released by the Ministry to the State as a unit. Further release of funds to the Programme Implantation Units (PIUs) at the district level is done by the respective State Governments depending upon the absorption capacity of the PIU. The fund utilized in the district of Banaskantha, including State share, during each of the last three years is as follows:

Year	Expenditure including State share (₹ in crore)			
2021-22	15.43			
2022-23	19.87			
2023-24	11.45			

Under PMGSY, in order to promote cost-(c): effectiveness and new construction technologies the construction of rural roads, including new materials/waste materials/ locally available materials, MoRD/ National Rural Infrastructure Development Agency (NRIDA) had issued 'Guidelines on Technology Initiatives', in May 2013. In order to promote innovations/latest technologies on large scale for wider adoption of new/ green technology in rural roads in a much systematic manner, MoRD/ NRIDA has revised the above guidelines and brought "Vision **Document on New Technology Initiatives & Guidelines-2022. Under** PMGSY, around 1,63,877 km of roads works has been sanctioned using new/ green technology out of which 1,14,789 km has been completed till date.

Under PMGSY, maintenance of rural roads is the responsibility of the State/ UT Governments. The Ministry had issued guidelines for maintenance of roads constructed under the programme. Under PMGSY, roads are covered under a 5-year maintenance contract to be entered into along with a construction contract with the same contractor as per the Standard Bidding Document (SBD). Since the design life of PMGSY roads is ten years, the States have to undertake further five years of maintenance. A MoU has been signed with States/UTs to emphasize on maintenance of roads constructed under PMGSY. The Ministry has also implemented e-MARG i.e. module for maintenance software

payments to the contractor during the defect liability period. The post five-year construction module of eMARG incorporates initial rehabilitation, renewal, pre- renewal routine maintenance, post-renewal maintenance and emergency repair works, as required. Maintenance funds to service the contract are required to be budgeted by the State Governments and placed at the disposal of the State Rural Roads Development Agencies (SRRDAs) in a separate maintenance account. On expiry of this 5 year post construction maintenance, PMGSY roads are required to be placed under Zonal maintenance contracts consisting of 5 year maintenance including renewal as per cycle, from time to time.

(e): The Union Cabinet on 11th September, 2024 approved implementation of the Pradhan Mantri Gram SadakYojana - IV (PMGSY-IV) during FY 2024-25 to 2028-29. Under the programme, financial assistance is to be provided for the construction of 62,500 Kms road for providing new connectivity to eligible 25,000 unconnected habitations of population size 500+ in plains, 250+ in NE & Hill Sates/UTs, special category areas (Tribal Schedule V, Aspirational Districts/Blocks, Desert areas) and 100+ in Left Wing Extremism (LWE) affected districts as per Census 2011 and construction/ upgradation of bridges on the new connectivity roads. Total outlay of this scheme will be Rs. 70,125 crore. The PMGSY-IV Guidelines have been circulated to all States/ UTs.

Annexure referred to in reply to point (a) of Lok SabhaUnstarred Question No. 336 for reply on 04.02.2025 regarding Construction of Roads under PMGSY
