**(a) to (c):** The Government, with an intent to build a strong ecosystem for nurturing innovation, startups and encouraging private investments in startup ecosystem of the country launched Startup India initiative on 16th January 2016.

As per eligibility conditions prescribed under G.S.R. notification 127 (E) dated 19th February 2019, entities are recognized as 'startups' under the Startup India initiative by the Department for Promotion of Industry and Internal Trade (DPIIT). FFS has been established to catalyze venture capital investments and is operationalized by Small Industries Development Bank of India (SIDBI), which provides capital to Securities and Exchange Board of India (SEBI)-registered Alternative Investment Funds (AIFs) which in turn invest in startups. AIFs supported under FFS are required to invest at least two times of the amount committed under FFS in startups.
