ANSWER

THE MINISTER OF COOPERATION

सहकारिता मंत्री (SHRI AMIT SHAH)

(a): Yes, the Ministry has taken up the Centrally Sponsored Project of Computerisation of the Offices of Registrars of Cooperative Societies (RCS) of States/Union Territories (UTs) and is under implementation.

(b): The project of Computerization of RCS of States/UTs is a part of the umbrella project of “Strengthening Cooperatives Through IT Interventions” of the Ministry. The objectives of the project are to enhance the ease of doing business for Cooperative Societies and create a digital ecosystem for transparent & paperless transactions of cooperative societies with the

RCS offices in all States/Union Territories. The software developed under this project will be as per the Cooperative Acts of the respective States/UTs.

Till date 35 States/UTs including Chhattisgarh (except Kerala) have shown interest in this project and proposals from 35 States/UTs have been sanctioned by the Ministry. An amount of Rs. 18.55 crore (approx.) has been released to 35 States/UTs so far for procurement of IT hardware and development of Software. 17 States/UTs have completed their procurement of IT hardware.

(c) and (d) To strengthen the long-term cooperative credit structure, the project of computerization of 1,851 units of Agriculture and Rural Development Banks (ARDBs) spread across 13 States/ Union Territories has been approved by the Government. NABARD is the implementing agency for the project. So far, proposals from 10 States/UTs have been received and sanctioned. Further, as on 26.03.2025, GOI share amounting to Rs 7.17 crore has been released to 11 States/UTs, including the State of Rajasthan in FY 2023-24 and FY 2024-25 for procurement of hardware, digitization and setting up of support system. As on date, hardware procurement under this project is yet to be start in the State of Rajasthan. Further, a total of 6,781 PACS have been sanctioned under Centrally Sponsored Project for Computerization of PACS for the State of Rajasthan, out of which 4,937 PACS have already been onboarded on ERP.
