

GOVERNMENT OF INDIA  
MINISTRY OF JAL SHAKTI  
DEPARTMENT OF DRINKING WATER & SANITATION

**LOK SABHA**  
**UNSTARRED QUESTION NO. 5327**  
ANSWERED ON 03.04.2025

**IMPLEMENTATION OF JAL JEEVAN MISSION**

†5327. SHRI RAHUL KASWAN:

Will the Minister of JAL SHAKTI be pleased to state:

- (a) whether it is a fact that the Jal Jeevan Mission (JJM) was launched in 2019 with the objective of providing domestic tap water connections to every household by 2025 and if so, the details thereof;
- (b) whether it is also a fact that the Government is unable to achieve the said target as per the plan under JJM and water has not been made available to every household properly under the said mission due to technical flaws in the completed work;
- (c) if so, the details thereof along with the steps taken/being taken by the Government to address the said issue;
- (d) whether it is true that the Government has repeatedly extended the timeline due to incomplete work and if so, the details thereof;
- (e) whether the Government has initiated any action against the individuals or firms found responsible for delay in completion of work; and
- (f) if so, the details thereof and if not, the reasons therefor?

**ANSWER**

MINISTER OF STATE FOR JAL SHAKTI  
(SHRI V. SOMANNA)

(a) to (d) Government of India had launched Jal Jeevan Mission (JJM), a centrally sponsored scheme in August 2019, aiming at providing Functional Household Tap Connection (FHTC) to every rural household by 2024.

At the start the Mission, only 3.23 Crore (16.7%) rural households were reported to have tap water connections. So far, as reported by States/ UTs as on 31.03.2025, under Jal Jeevan Mission (JJM) – Har Ghar Jal around 12.34 Crore additional rural households have been provided with tap water connections. Thus, as on 31.03.2025, out of 19.36 Crore rural households in the country, more than

15.57 Crore (80.38%) households are reported to have tap water supply in their homes. State/ UT-wise details are **annexed**.

To achieve 100 per cent coverage through continued implementation of mission with focus on quality of infrastructure and Operation & Maintenance of rural piped water supply schemes for long term sustainability and citizen centric water service delivery, Hon'ble Finance Minister during her budget speech 2025-26 has announced extension of Jal Jeevan Mission until 2028 with enhanced total outlay.

(e) & (f) Drinking Water is a State subject, as such planning, approval, implementation, operation and maintenance of drinking water supply schemes, lies with State governments. Government of India supplements the efforts of the States by providing technical and financial assistance. Moreover, in respect of State/ UT-wise details of action initiated, specific complaints are sent to the concerned States/UTs and appropriate action are taken by them. Further, through operational guidelines of the Mission, States have been advised to incorporate requisite penalty clauses in the contract documents so as to disincentivize the agencies to avoid delay in implementation.
