

**GOVERNMENT OF INDIA
MINISTRY OF AYUSH**

**LOK SABHA
UN-STARRED QUESTION NO. +785
TO BE ANSWERED ON 7th FEBRUARY 2025**

“Advanced Research in Ayurveda”

785. Dr. Rajesh Mishra
Shri Pradeep Kumar Singh

Will the Minister of Ayush be pleased to state:

- (a) whether the Government has collaborated with national or international research institutions for advanced research in Ayurveda and if so, the details thereof;
- (b) the other similar initiatives being proposed by the Government to promote traditional Indian systems of medicine;
- (c) the number of jobs and research opportunities expected to be created by this new facility;
- (d) whether the Government proposes to open an Ayurveda Research Institute in the country; and
- (e) if so, the details thereof, State/UT-wise particularly in Sidhi-Singrauli of Vindhya region of Madhya Pradesh?

ANSWER

THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH

(SHRI PRATAPRAO JADHAV)

- (a) The Institutes under the Ministry of Ayush, Govt. of India viz. Central Council for Research in Ayurvedic Sciences, National Institute of Ayurveda (NIA), All India Institute of Ayurveda (AIIA) and Institute of Teaching & Research in Ayurveda (ITRA) have entered into Memorandum of Understanding (MOU) with National and International Research Bodies for advanced research in Ayurveda as detailed in **Annexure-I**.

(b) The following steps have been taken to promote traditional Indian system of Medicine:-

I) To promote traditional Indian system of Medicine under Ayush, the Ministry of Ayush is implementing Centrally Sponsored Scheme National Ayush Mission (NAM) and Central Sector Schemes providing financial assistance for promotion and popularisation of Ayush systems of medicine at National and International level namely, Ayush Oushadhi Gunavatta evam Utpadan Samvardhan Yojana (AOGUSY), Promotion of International Cooperation (IC), Promotion of Information, Education and Communication (IEC), Scheme for Conservation, Development and Sustainable Management of Medicinal Plants (CDSMMP), Ayurwashthaya Yojana and Ayurgyan.

1) Centrally Sponsored Scheme National Ayush Mission (NAM) is implemented through State/UT Governments and supporting their efforts for overall development and promotion of Ayush system of medicines by providing financial assistance to them under different activities as per the provision of NAM guidelines against their submitted State Annual Action Plans (SAAP). The Mission inter-alia makes provision for the following activities including medical infrastructure: -

- (i) Operationalization of Ayushman Arogya Mandir (AAM)- Ayush
- (ii) Co-location of Ayush facilities Ayurveda at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs)
- (iii) Upgradation of existing standalone Government Ayush Hospitals
- (iv) Upgradation of existing Government/Panchayat/Government aided Ayush Dispensaries/Construction of building for existing Ayush Dispensary (Rented/dilapidated accommodation)/Construction of building to establish new Ayush Dispensary in the area where there are no Ayush facilities available
- (v) Setting up of 10/30/50 bedded integrated Ayush Hospitals
- (vi) Supply of essential drugs to Government Ayush Hospitals, Government Dispensaries and Government/Government aided Teaching Institutional Ayush Hospitals
- (vii) Establishment of new Ayush colleges in the States where availability of Ayush teaching institutions is inadequate in Government Sector
- (viii) Infrastructural development of Ayush Under-Graduate Institutions
- (ix) Infrastructural development of Ayush Post-Graduate Institutions/ add on PG/Pharmacy /Para-Medical Courses

(x) Ayush Public Health Programs.

As per the proposals received from the State/UT Governments through SAAPs under NAM, Ministry of Ayush has released an amount of Rs. 4534.28 Crores from the year 2014-15 to 2023-24. After implementation of NAM Scheme, the scale of achievement for development and popularisation of Ayush system of medicine in the States/UTs has increased significantly. Accordingly, budget allocation of NAM enhanced gradually from Rs. 75.28 Crore (in 2014-15) to Rs.1200.00 Crore (in 2024-25) for implementation of different activities of NAM Scheme through States/UTs. Under NAM, consolidated funds are being released to the State/UT Governments for development and promotion of different Ayush systems.

Major activities supported under NAM for development, promotion and popularization of Ayush System of Medicine from 2014-15 to 2023-24 are as follows:-

- (i) 167 units supported for setting up of Integrated Ayush hospitals
 - (ii) 416 Ayush Hospitals and 5036 Ayush dispensaries have been supported for Up-gradation of infrastructure and other facilities
 - (iii) 2322 PHCs, 715 CHCs and 314 DHs have been supported under co-location for recurring assistance of medicines and contingency on an average in each year
 - (iv) 996 Ayush Hospitals and 12405 Ayush dispensaries have been supported for supply of essential Ayush medicines on an average in each year.
 - (v) 16 units supported for establishment of New Ayush Educational Institutions.
 - (vi) 76 Under-Graduate and 36 Post-Graduate Ayush Educational Institutes have been supported for Upgradation of infrastructure, Library and other things.
 - (vii) 1055 Ayush Gram have been supported.
 - (viii) 12500 Ayuhsman Arogya Mandir (Ayush) have been approved.
- 2) Central Sector Scheme for Promotion of International Co-operation in Ayush aims to promote and strengthen awareness and interest in Ayush systems of Medicine at international level.

The components of the Scheme are as follows: -

- (i) International Exchange of Experts & Officers,

- (ii) Incentive to drug manufacturers, entrepreneurs, Ayush institutions, Hospitals etc for international propagation of Ayush by participating in international exhibitions, trade fairs, and road shows etc. and registration of Ayush products (Market Authorisation) at regulatory bodies of different countries such as USFDA/ EMEA/ UK-MHRA/ NHPD/ TGA etc. for exports,
 - (iii) Support for International Market Development and Ayush promotion –related activities,
 - (iv) Translation and Publication of Ayush Literature/books in foreign languages,
 - (v) International Fellowship/Scholarship Programme for foreign nationals for undertaking Ayush courses in premier institutions in india.
 - (vi) Setting up and strengthening of Export Promotion Council for Products and Services.
- 3) The Ministry is implementing the Central Sector Scheme for Promotion of Information Education and Communication (IEC) in Ayush to create awareness regarding Ayush Systems of Medicine. This aims to reach out to all sections of the population across the country. This scheme provides assistance for organizing National/State Arogya Fairs, Yoga Fests/Utsavs, Ayurveda Parvs, etc. The Ministry also undertakes Multi-Media, Print Media Campaigns for creating awareness about Ayush System.
- 4) The Ministry is implementing a Central Sector Scheme of Ayurwashthya Yojana since FY 2021-22. The Scheme has 02 components viz. (i) Ayush and Public Health (ii) Centre of Excellence (CoE). The objectives of Ayush and Public Health Component of Ayurwashthya Yojana are as follows: -
- To promote Ayush intervention for community health care.
 - To demonstrate advantages of Ayush health care in public health.
 - To support for implementing Sustainable Development Goal-2 (SDG2) and Sustainable Development Goal -3 (SDG 3) through integrating Ayush system.
 - Documentation of the efficacy of Ayush systems through Ayush interventions in various public health issues which can be taken up in larger scale for implementation in national health programmes.

5) Ministry of Ayush is implementing Central Sector Scheme for Ayush Oushadhi Gunavatta evam Uttpadan Samvardhan Yojana (AOGUSY) for the year 2021-2026 with financial outlay of Rs. 122 Crores whose one of the objectives is to encourage building up synergies, collaborations and convergent approaches for promoting standards and quality of Ayush drugs & materials.

II. Further, the following 12 National Institutes and 05 Research Councils under Ministry of Ayush are engaged in co-ordinating, formulating, developing, promoting and popularizing Ayush system of healthcare:

- (i) All India Institute of Ayurveda, New Delhi
- (ii) National Institute of Ayurveda, Jaipur
- (iii) Rashtriya Ayurveda Vidyapeeth, Delhi
- (iv) National Institute of Naturopathy, Pune
- (v) North Eastern Institute of Ayurveda & Homoeopathy, Shillong
- (vi) North Eastern Institute of Ayurveda and Folk Medicine Research, Pasighat
- (vii) National Institute of Unani Medicine, Bengaluru
- (viii) Institute of Teaching & Research in Ayurveda, Jamnagar
- (ix) National Institute of Siddha, Chennai
- (x) National Institute of Homoeopathy, Kolkata
- (xi) Morarji Desai National Institute of Yoga, New Delhi
- (xii) National Institute Of Sowa Rigpa (NISR), Leh
- (xiii) Central Council for Research in Ayurvedic Sciences (CCRAS)
- (xiv) Central Council for Research in Yoga and Naturopathy (CCRYN)
- (xv) Central Council for Research in Unani Medicine (CCRUM)
- (xvi) Central Council for Research in Siddha (CCRS)
- (xvii) Central Council for Research in Homoeopathy (CCRH)

Ayush institutions of different streams under Ministry of Ayush popularize Ayush systems of medicines among masses through their IEC activities using electronic and print media for common people in English, Hindi, and regional languages, which are widely distributed through National/State level Arogya melas, Health camps, exhibitions, expos. Ministry of Ayush is also digitally promoting the

Ayush System of Medicine on its various Social Media Platforms i.e. Facebook, Twitter, YouTube etc. Ministry of Ayush also propagates Ayush systems of medicines through its various institutions all across the country by participating in poshan maah abhiyan, participation in seminars/ workshops / conferences/ school health check-ups, providing healthcare services through the OPDs/IPDs of the units and treatment centres of Ayush, publishing peer-reviewed research journals/ newsletters/ publishing bulletin in different streams which are accessible online and are available to international readers as well to enable dissemination of the outcomes of research among the public.

Besides the school health programmes and clinical mobile research programmes, other outreach programs viz. Schedule Caste Sub Plan (SCSP) Research Program, Tribal Health Care Research Program (THCRP), etc., are also being carried out for the promotion and popularity of Indian Medicine System under Ayush. Under this programme, villages having SC/ST population have been selected to create awareness for preventive aspects of different diseases and to provide treatment to the patients in various parts of the country.

- III. 02 Statutory Bodies under Ministry of Ayush i.e. National Commission for Indian System of Medicine (NCISM) and National Commission for Homoeopathy (NCH) are working as a regulatory commission for promotion of Ayush education through which the Ayush System of Colleges with attached hospitals are carrying out the activities related to Medical Education, Research, Healthcare, Public-health across the country.
 - IV. The website of the Ministry of Ayush and the Autonomous bodies/ Statutory bodies/ Regulatory bodies etc under Ministry of Ayush are also embodied with information on Ayush Systems of Medicine and hyperlinked with other important websites that provide information for wider utility.
- (c) No such information is available. However, recently, the Hon'ble Prime Minister Shri Narendra Modi has laid the foundation stone of Central Ayurveda Research Institute (CARI) at Rohini, New Delhi. CARI, New Delhi is already functional with all required staff in a rented building Punjabi Bagh, New Delhi. Therefore, no new job opportunities are expected to be created once this institute is shifted from rented building to its own new building in Rohini, New Delhi. However, generation of new job opportunity to students by imparting Panchkarma Technician Training Course which is affiliated to Healthcare Sector Skill Council under NSDC for promotion & propagation of Ayurveda will also be the focused area of the Institute as Panchkarma training course is expected to be enhanced from 10 to 30 seats or more as the infrastructure will be available in new building.

Further, the purpose of this new CARI building will be development of CARI into a model research institute for undertaking, coordinating and promoting clinical research in Ayurveda with NABH hospital. The Institute will also strengthen Research and treatment in Ayurveda utilizing its classical treatment procedures viz. Panchkarma, Ksharasutra, Raktamokshana & Netra Kriyakalpa. The development of comprehensive, pragmatic, adaptable user-friendly format will be done for clinical

diagnosis and clinical examination for utilization among health care professional and support diagnosis with advanced technology using Pathological, biochemical and radiological investigations with a well-equipped NABL Lab which will also augment the research projects taken up by the Institute.

- (d)&(e) There is no proposal under consideration to open any new Ayurveda Research Institute in the country. However, the Ministry of Ayush, Government of India has set up Central Council for Research in Ayurvedic Sciences (CCRAS), an autonomous organisation for undertaking, coordinating, formulating, developing, and promoting research on scientific lines in Ayurvedic sciences. The research activities are carried out through its 30 Institutes/Centres located all over India and through collaborative studies with various Universities, Hospitals, and Institutes. One institute namely, Regional Ayurveda Research Institute, Gwalior is functioning under CCRAS in the state of Madhya Pradesh. The list of the CCRAS Institutes/Centres is annexed at **Annexure-II**.

Annexure I

Central Council for Research in Ayurvedic Sciences (CCRAS)

Details of National MOUs

S. No.	Title of MoU	Name of Collaborative Institute	Date of entering MoU	Date of Expiry of MoU	Duration	Activities under taken under MoU
1.	Pharmaceutical Research in Ayurveda, Guide M. Pharma students/Ph. D. scholars of different streams.	Shobhit University, Meerut	03.07.2009	02.07.2014	05 Years	Twelve M. Pharma students are carried out their dissertation work on standardization and comparative study of different Ayurvedic formulations available in market.
2.	Establishment of Satellite Centre at BFUHS Premises to integrate the Ayurveda and Modern Medical Sciences to enable utilization of diagnostic facilities at BFUHS	Baba Farid University of Health Sciences (BFUHS), Faridkot	21.02.2010	20.02.2015	05 Years	Establishment of Satellite Centre at BFUHS Premises
3.	For conducting Preclinical and clinical Trials.	Laila Impex, Brindavan Colony, Vijayawada, Andhra Pradesh	07.09.2012	Initially for 03 yrs and renewed every 02 years	02 Years	Projects
4.	Randomized double blind placebo controlled clinical study of Ayurvedic Coded Drug Ayush A in the management of Bronchial Asthama (<i>Tamak Shwasa</i>)- A collaborative study	All India Institutes of Medical Sciences (AIIMS), New Delhi	08.02.2018	07.02.2021	03 Years	Collaborative clinical project

5.	Research in Systematic Botany	Kumaun University, Nainital, Uttarakhand	06.06.2018	05.06.2023	05 Years	Ph.D. work
6.	A phase II trial to study efficacy, toxicity and immunomodulatory effect of Carctol-S in high grade serous epithelial ovarian cancer at first serological relaps	Tata Memorial Hospital (TMH) and Advanced Centre for Treatment, Research and Education in Cancer (ACTREC) Mumbai, Maharashtra	25.07.2018	Till the completion of project	-	Clinical research
7.	Development of Metal Based Ayurvedic Formulations for the treatment of Acute Promyelocytic Leukaemia	Vaidya Chandra Prakash Cancer Research Foundation, Dehradun, Uttarakhand	29.01.2019	28.01.2022	03 Years	Collaborative project
8.	Hindi Translation of the Marathi compendium - Chikitsa Prabhakar"	Tilak Maharashtra Vidyapeeth, Pune, Maharashtra	20.02.2019	19.02.2020	01 Year	Translation activities as per the project
9.	Translation of a valued Sanskrit Compendium 'Hastyayurved and Ashva-Vaidyakam and Ashva-chikitsitam' to English	Tilak Maharashtra Vidyapeeth Pune, Maharashtra	20.02.2019	19.02.2020	01 Year	Translation activities as per the project
10.	Research project entitled Development of SoPs and standardization of different preparation techniques of the Netra Patapaka formulation for ophthalmic use	Lovely Professional University, Jalandhar, Phagwara, Punjab.	20.07.2019	19.07.2021	02 Years	A project has been carried out and completed

11.	Validation and Reliability Testing of Ayurvedic Diagnostic Tools”	All India Institute of Ayurveda (AIIA), New Delhi	29.08.2019	2.08.2022	03 Years	Collaborative clinical project
12.	Validation and Reliability Testing of Ayurveda Diagnostic Tools” Multicentric Research Project with National Institute of Ayurveda, Jaipur	National Institute of Ayurveda (NIA), Jaipur	06.09.2019	31.07.2022	03 Years	<ul style="list-style-type: none"> • Completed targeted patient’s enrolment for each disease. • The outcome of this research will be beneficial to Ayurved physicians, researchers and students for Ayurvedic diagnosis of diseases in uniform pattern and will built in platform for uniform research on said diseases.
13.	Validation and reliability of diagnostic methods in Ayurveda	Kerala Ayurvedic studies and research society, Kottakkal, Kerala	09.09.2019	08.09.2022	3 years	Collaboration Project
14.	“Randomized control study to evaluate the efficacy of Ayush CCT and Rajyoga meditation versus conventional treatment on clinical recovery and post operative outcomes following mitral valve open heart surgery	All India Institutes of Medical Sciences (AIIMS), New Delhi	20.01.2020	19.01.2022	02 Years	Collaborative clinical project
15.	Execution of AMRA project	1) RRAP CARI, Mumbai; 2) AVP Research	04.02.2020 and extended MoU from	20.02.2026 14.03.2025	3 Years	Ayurveda management versus Methotrexate in Rheumatoid Arthritis (AMRA)

		Foundation, Coimbatore; 3) Raja Rajeshwari Medical College and Hospital, Bangalore	21.2.2023 (for 1st and 2nd) 15.07.2022			Study)
16.	A Double-blind double dummy prospective randomized controlled study to evaluate the efficacy of classical Ayurveda management versus Methotrexate in Rheumatoid Arthritis (AMRA Study)	RARIMD, Bengaluru And Arya Vaidya Pharmacy Research Foundation (AVPRF), Coimbatore	21.02.2020	Till the completion of project	-	Clinical research
17.	Collaborative research project entitled “A Randomized, Open Label, Parallel Efficacy, and Safety of and Ayurvedic Formulation (AYUSH 64) as adjunct Treatment to Standard of Care for the management of Mild to Moderate COVID-19 Patients”	Shri Dhanwantry Ayurvedic College and Hospital, Chandigarh	19.05.2020	Six months or till the completion of the project whichever is earlier	06 Months	Project has been carried out and completed.
18.	Project MoU-Safety and Efficacy of Ayurveda Intervention AYUSH 64 in mild to moderate COVID 19 infection-A prospective, open label, single arm Clinical Study	A & U Tibbia College & Hospital, New Delhi	28.05.2020	27.11.2020	06 Months	Collaborative clinical project
19.	Project MoU-Evaluation of the efficacy of an Ayurvedic Intervention (Chyawanprash) in the prevention of COVID-19	A & U Tibbia College & Hospital, New Delhi	28.05.2020	27.11.2020	06 Months	Collaborative clinical project

	pandemic among Health Care Personnel - A Open Label Single Arm Prospective Study					
20.	Project MoU-A pilot study to assess the efficacy of Ayush - 64 in COVID - 19 cases	Ch. Brahm Prakash Ayurved Charak Sansthan, Khera Dabar, Najafgarh, New Delhi	02.06.2020	01.12.2020	06 Months	Collaborative clinical project
21.	Project MoU-Evaluation of protective potential of an Ayurvedic Rasayan (Chyawanprash) in the prevention of COVID-19 among Health Care Personnel – An open label, prospective Randomized controlled parallel group study	Ch. Brahm Prakash Ayurved Charak Sansthan, Khera Dabar, Najafgarh, New Delhi	02.06.2020	01.12.2020	06 Months	Collaborative clinical project
22.	A Randomized, Open Label, Parallel Efficacy, Active Control, Multi-center exploratory Drug Trial to evaluate efficacy and safety of an Ayurvedic formulation (Ayush-64) as Adjunct Treatment to standard of care for the management of mild to moderate COVID-19 patients	NSCI Dome Dedicated COVID 19 Hospital, (BMC South G Ward), Mumbai, Maharashtra	15.06.2020	Till the completion of project	Closed	Clinical research
23.	Digitalization of Trishkandkosha	Tilak Maharashtra Vidyapeeth Pune, Maharashtra	15.06.2020	14.06.2022	02 Years	Digitalization of Trishkandkosha

24.	A Retrospective study to Evaluate the Efficacy of Ayurvedic Interventions in the management of Asymptomatic to Moderate COVID -19	Shri Dhanwantry Ayurvedic College and Hospital, Chandigarh	18.06.2020	Till terminated either Party given notice to the other of its desire	Closed	Project has been carried out and completed.
25.	Collaborative research project entitled “A Prospective Randomized Controlled Clinical Trial to evaluate the Efficacy and Safety of Ayurveda Interventions (Ashwagandha Tablet and Shunti Capsule) in the management of COVID-19 infection (mild to moderate symptoms)	Shri Dhanwantry Ayurvedic College and Hospital, Chandigarh	18.08.2020	Six months or till the completion of the project whichever is earlier.	06 Months	Project has been carried out and completed.
26.	Development of Automated Basti Yantra- A comprehensive tool for therapeutic induction of enema.	Indian Institutes of Technology (IIT), DELHI	25.08.2020	23.08.2022	02 Years	Developed Automated Basti Yantra
27.	Study the physiological basis and gut bacterial modulations induced by Virechana (Purgation therapy) in Healthy adults: A prospective longitudinal study.	All India Institute of Ayurveda (AIIA), Sarita Vihar & Institute of Liver and Biliary Sciences (ILBS), New Delhi	28.08.2020	27.08.2023	03 Years	Collaborative clinical research project
28.	A study of Ashwagandha in the Prophylaxis Against COVID-19 and its benefits on General health in High-Risk Health Care Workers: A Randomized Controlled Comparison	Centre for Rheumatic Diseases, Pune And Data Meghe Institute of Medical	17.09.2020	Till the completion of project	Closed	Clinical research

	with Hydroxychloroquine, Sulphate (HCQS)	Sciences (DMIMS), Nagpur, Maharashtra				
29.	To carry out the doctoral research projects jointly after due recognition of the institution for such doctoral research at CARI, New Delhi and defines it area.	Datta Meghe Institute of Medical Sciences, deemed to be University	27.10.2020	26.10.2025	05 Years	MoU with Datta Meghe Institute of Medical Sciences, deemed to be University U/c 3 of UGC act, 1956, conferred 'A' grade status by Ministry of HRD, Govt. of India for recognition of CARI, New Delhi as Ph.D. Institute.
30.	Retrospective Documentation of Cancer Cases under the project- "Ayurveda Interventions for Cancer Systematic review, meta-analysis and revival, Documentation, Validation and Analysis of data from practitioners, Institutes (AIC, SRMA, RDBVAD	Cherian Ashram Holistic Centre, Kerala And Amrita Centre for Advanced Research in Ayurveda Amrita School of Ayurveda, Kerala	05.12.2020	Till the completion of project	Closed	This MoU was done for the documentation of Cancer Data at Cherian Ashram under the ongoing IMR project- AIC SRMA RDVAD No separate budget was allotted
31.	Systems biology approach to delineate molecular signatures of Prakriti in healthy humans	Jawaharlal Nehru University, New Delhi; International Centre for Genetic Engineering and Biotechnology, New Delhi; TDU University, Bengaluru	16.02.2021	30.09.2024	03 Years	Collaborative Research Project

32.	Prospective Double Blind Randomized Controlled Clinical Study on Ayurvedic Intervention (Sarpagandha Mishran) Vs Amlodipine For The Management of Stage-I Primary Hypertension	All India Institutes of Medical Sciences AIIMS, New Delhi	24.02.2021	31.01.2024	03 Years	Collaborative clinical research work for stage I primary hypertension initiated in Dept. of Pharmacology
33.	Acquisition of Manuscripts, Printed books, old magazines, journals, periodicals, museum exhibits	Dr. Achanta Lakshmi pati Ayurveda Library Trust, Vijayawada, Andhra Pradesh.	05.03.2021	04.03.2024	03 Years	Collected more than 5000 library collections: Palm leaf Manuscripts (palm leaf and paper), Printed books, rare books, journals, old magazines, periodicals, conference proceedings, brochures, news, hand notes etc., and museum exhibits (~139 in no.) from Dr. ALPALT, Vijayawada during tours on 23-24 August 2021; 2-3 March 2022 and 11-08-2023
34.	Evaluating the efficacy of Ayurvedic intervention as add on to conventional treatment and explore the interaction of Epigenetics, Neuro/gut biomarkers and Neuroimaging in Pediatric ADHD (attention deficit hyperactivity disorder)	National Institute of Mental Health and Neuro-Sciences NIMHANS, Bengaluru	19.03.2021	31.03.2025	04 Years	Aforesaid research Project
35.	WHO Funded Project Assessment of integration of AYUSH into the public health system for	Public Health Foundation of India, PHFI,	23.03.2021	22.11.2021	08 Months	Collaboration Project

	combating COVID-19.	WHO, New Delhi				
36.	Evaluation of drugs-cytochrome P450 enzyme interaction through fluorometric high throughput screening assays	National Institute of Research in Reproductive Health, Mumbai	26.03.2021	25.03.2024	03 Years	Drugs-cytochrome P450 of ayurvedic drug through collaboration
37.	Evaluation of Hepatoprotective activity of PTK as an add on therapy in the patients of Tuberculosis on ATT – A Double blind Randomized control clinical study	Sri. BMK Ay. College, Belagavi	30.03.2021	30.09.2024	02 Years 06 Months	Collaborative research Project
38.	Study of the immunomodulating properties of selected recipes from ancient Ayurvedic classical texts (Bhojankutuhalam and Kshemakutuhalam) and repurposing them as immune enhancers	Tilak Maharashtra Vidyapeeth, Pune	09.08.2021	08.08.2024	03 Years	Four food recipes are identified having potential immunomodulatory potential based on the literature.
39.	Collabroative study "Execution in PG thesis Studies on Swasthya Assessment Scale developed by CCRAS with National Institute of Ayurveda, Jaipur"	National Institute of Ayurveda, Jaipur	15.09.2021	-	Closed	Validated Swasthya Assessment Scale may act as the substantial tool to record the status of healthy population on the basis of Ayurveda Principles and also it may help to draw the present status of health of the person and indirectly it may also helps to assess the role of Ayurveda medicine in bringing back

						the health status of sick individuals.
40.	Plant Diversity Database of Selected Ayurvedic Medicinal Plants Species from Medicinal Plants Garden of RARI, Pune	Jawaharlal Nehru University, New Delhi	17.09.2021	16.09.2024	03 Years	Generation of pharmacognostical and DNA barcode database for 100 ayurvedic plants species of medicinal plant garden RARI, Pune
41.	A Randomized Controlled Trial to evaluated the Efficacy of Marma Therapy in pain management in Lumber Disc Herniation with Radiculopathy	Uttarakhand Ayurved University, Dehradun	30.09.2021	29.09.2023	02 Years	Collaborative project
42.	For executing a collaborative project “A Randomized Controlled Trial to evaluate the efficacy of Marma Therapy in pain management in Lumbar Disc Herniation with Radiculopathy”	Uttarakhand Ayurveda University Main Campus, Dehradun	30.09.2021	29.3.2023	18 months	Collaborative project has been completed
43.	Comprehensive analytical strategy involving proteomics, cheminformatics, network biology tools and in-vivo assays, to deduce the regulatory actions of Ayurvedic formulations Ashwagandha, Yograj Guggulu (YG) and their combination.	Indian Institute of Technology, Guwahati	07.10.2021	30.04.2024	02 Years 06 Months	Preclinical pharmacology research
44.	Evaluation of Cytotoxicity, Pharmacokinetics, Anti-Cancer Activity, Detailed	CSIR-Indian Institute of Chemical Biology,	11.11.2021	10.11.2023	02 Years	Preclinical IMR collaboartive project

	Molecular Mechanisms of Bhallatakadi Modaka in In Vitro (2D and 3D Culture) and in vivo Tumor Xenograft Models	Kolkata				
45.	A study of Ashwagandha administration in participants vaccinated against COVID-19 vaccine on safety, immunogenicity, and protection: A Randomized, Double Blind, Placebo Controlled, Multi-Centric-Clinical Trial	Centre for Rheumatic Diseases, Pune NIA, Jaipur AIIA, New Delhi SDM College of Ayurveda and Hospital, Hassan Shri BM Kankanwadi Ayurveda Mahavidyalaya, Belgavi Datta Meghe Medical College, Nagpur Translational Health Science and Technology Institute, Faridabad RRAP, Central Ayurveda Research Institute, R A Podar Medical (Ayu)College, Mumbai School of Health Sciences,	26.11.2021	Till the completion of project	-	Clinical research

		and Health Center, Savitribai Phule Pune University, Pune				
46.	Clinical Study on Double Blind Randomized Placebo Controlled Multicentric Clinical Trial of Ayush M 3 in the Management of Migraine	National institute of mental health and neurosciences (NIMHANS), Bengaluru	10.01.2022	09.01.2025	03 Years	Collaborative clinical project
47.	Ayurveda therapeutic regimen as on Add-on to optimized conventional management of Parkinson's disease: An RCT for assessment of Clinical, Cortical excitability, Neuroimmune and Autonomic function parameters	National Institute of Mental Health and Neuro-Sciences NIMHANS, Bengaluru	27.01.2022	26.01.2025	03 Years	Collaborative research Project
48.	To carry out collaborative project entitled 'Toxicity Studies and Evaluation of Anti-inflammatory and Anti-arthritis activity of Shunthi guggulu (<i>Triphala shodhita</i>) in Rats'	College of Veterinary Science, Assam Agricultural University, Guwahati	17.02.2022	16.02.2024	02 Years	The project has been successfully completed and the final report of the project has been submitted to CCRAS Hqrs. by CARI, Guwahati
49.	Assessment of Prakriti (Ayurvedic Body Constitution) of Patients with Cervical and Ovarian Cancers	Tata Memorial Hospital (TMH), Mumbai	23.02.2022	Till the completion of project	-	Clinical research
50.	In vitro evaluation of ayurvedic formulations (Amrit Bhallataka Ghrita, Jyotishmati Taila, and AYUSH Manas) in cell-	National Institute of Pharmaceutical Education and	28.03.2022	30.06.2024	02 Years	Pre-clinical pharmacology research

	free and cell-based models of Parkinson's and Alzheimer's disease.	Research (NIPER), Guwahati				
51.	Understanding mechanistic role of CARAF & CAGHE as immunomodulatory and anti-cancer compounds against pre-clinical models of Leukemia, Lymphoma, Melanoma, Lung and Breast Cancer	Advanced Centre for Treatment, Research and Education in Cancer (ACTRC), Kharghar, Navi Mumbai	29.03.2022	Till the completion of project	-	Pre-Clinical research
52.	Understanding mechanistic role of CARAF & CAGHE as immunomodulatory and anti-cancer compounds against pre-clinical models of Leukemia, Lymphoma, Melanoma, Lung and Breast Cancer	Advanced Centre for Treatment, Research and Education in Cancer (ACTRC), Kharghar, Navi Mumbai	29.03.2022	Till the completion of project	-	Pre-Clinical research
53.	Understanding mechanistic role of Carctol-S as immunomodulatory and anti-cancer formulation against Ovarian Cancer	Advanced Centre for Treatment, Research and Education in Cancer (ACTRC), Kharghar, Navi Mumbai	29.03.2022	Till the completion of project	-	Pre-Clinical research
54.	MOU for project entitled 'Mechanistic studies with <i>Withania Somnifera</i> extracts and it's major phytoconstituents on innate immune cell responses and their efficacy in experimental	Central Drug Research Institute CDRI, Lucknow	30.03.2022	29.03.2025	03 years	Ongoing project

	animal models of immunosuppression and inflammation					
55.	Evaluation of hepatoprotective efficacy and underlying molecular mechanisms of ayurvedic formulations, Ayush-PKT & AYUSH GHM in experimental animal model of alcoholic and non-alcoholic fatty liver diseases: a pre-clinical study	Institute of Liver and Biliary science, New Delhi,	20.11.2019	19.11.2021	2 Years	Collaborative project
56.	A Randomized controlled trial to evaluate the efficacy of multimodal Ayurveda interventions in Jaanu Sandhigatavata (Primary Knee Osteoarthritis)”	All India Institute of Medical Sciences, New Delhi	04.04.2022	03.10.2024	01 Year 06 Months	Collaborative clinical research Project
57.	Evaluation of AYUSH GMH in the subjects of mild to moderate non-alcoholic fatty liver disease (NAFLD) - A Double Blind Randomized Control Clinical study	1) Sri. BMK Ay., Belagavi 2) ICMR - National Institute of Traditional Medicine Belagavi	23.05.2022	18.03.2025	03 Years	Collaborative research Project
