**QUESTION**

**†924. Shri Arun Kumar Sagar:**

**Will the Minister of CORPORATE AFFAIRS be pleased to state:**

- (a) the funds allocated by various undertakings under Corporate Social Responsibility (CSR) during the last three years and the current year;**

- (c) whether effective steps have been taken to spend money under CSR in backward and scheduled castes dominated areas, particularly in Shahjahanpur Parliamentary Constituency of Uttar Pradesh; and**
- (d) if so, the details thereof?**

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS AND MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

**[SHRI HARSH MALHOTRA]**

**(a): There is no provision of allocation of CSR funds under CSR legal framework. The legal framework for Corporate Social Responsibility (CSR) has been provided under Section 135 of the Companies Act, 2013 ('Act'), Schedule VII of the Act and Companies (CSR Policy) Rules, 2014. Under the Act, every CSR mandated company has to constitute a CSR Committee. The Committee formulates and recommends the CSR policy and the Board of the company plans, decides, executes and monitors the CSR activities of the company.**

**(b): All data related to CSR filed by companies in MCA21 registry is available in public domain and can be accessed at [www.csr.gov.in](http://www.csr.gov.in). On the basis of annual filings by the CSR mandated Companies, amount spent under CSR in Aspirational Districts, state-wise, district-wise and development sector-wise during the last three Financial Years (FYs) i.e 2020-21, 2021-22 and 2022-23 is attached as Annexure-I, Annexure-II and Annexure-III respectively.**

**(c)&(d): As CSR activity is undertaken, managed and monitored by a Corporate, the Government does not issue specific directives to the companies regarding spending in any particular geographical area or activity. The Board of the company is required to approve CSR Policy of the company. Under Rule 4(5) of the Companies (CSR Policy) Rules, 2014 the Board of the company has to satisfy itself that the**

**funds so disbursed have been utilised for the purposes and in the manner as approved by it, and the Chief Financial Officer or the person responsible for financial management shall certify to the effect. Thus, the corporate governance framework along with the existing legal provisions such as mandatory disclosures, accountability of the CSR Committee and the Board, provisions for statutory audit of accounts of the company etc. provide adequate safeguards for CSR activities implemented by the companies. Ministry does not maintain Parliamentary Constituency-wise data.**
