(a) The mandate of Department of Fertilizers is to ensure adequate availability of fertilizers at State level. However, the distribution of fertilizers within the State at district level is done by the concerned State govern ents. Accordingly, as per the information received from the State Government of Uttar Pradesh, the information regarding requirement, availability, sales and closing stock of fertilizers viz. Urea, DAP, MOP and NPKS in the Lakhimpur Kheri district during the ongoing Kharif 2025 season (i.e. from 01.04.2025 to 05.08.2025) is as under:

(b) Fertilizer is declared as an essential commodity and is notified under Fertilizer Control Order, 1985 and Fertilizer (Movement Control) Order, 1973. **State governments are adequately empowered under FCO** to stop black marketing/diversion/smuggling of fertilizers and to take punitive action against any person/fertilizer company involved in such malpractices by violating the provisions of Essential Commodities Act, 1955 and Fertilizer Control Order 1985 (FCO). The details of the enforcement activities performed by the States during the period 01.04.2025 to 01.08.2025 is placed at **Annexure**.

Additionally, State Governments (especially those bordering Nepal, Bangladesh and Myanmar) have been requested regularly to increase the vigilance at the borders to prevent smuggling of Urea from India to neighboring countries.

(c) and (d) Under ‘DBT in Fertilizers’ system, the subsidy on various fertilizer grades is released to the fertilizer companies, on actual sales to the beneficiaries based on Aadhar authentication through POS devices installed at each retail shop. All farmers are being supplied fertilizers at the subsidized rates on non-denial basis.
