

**GOVERNMENT OF INDIA**  
**MINISTRY OF FISHERIES, ANIMAL HUSBANDRY AND DAIRYING**  
**DEPARTMENT OF ANIMAL HUSBANDRY AND DAIRYING**  
**LOK SABHA**  
**STARRED QUESTION NO. \*371**  
**ANSWERED ON 19<sup>TH</sup> AUGUST, 2025**

**NATIONAL ANIMAL DISEASE CONTROL PROGRAMME**

**\*371. DR.KALYANVAIJINATHRAO KALE**  
**SHRIKARTI P CHIDAMBARAM:**

Will the Minister of FISHERIES, ANIMAL HUSBANDRY AND DAIRYING  
मत्स्यपालन, पशुपालन और डेयरी मंत्री  
be pleased to state:

- (a) whether the Government maintains any data about the cow dairy farms in the country and if so, the details thereof along with the total number of registered and unregistered dairy farms in the country during the last three years, State-wise;
- (b) the details of the compensation disbursed to dairy farmers affected by lumpy skin disease outbreaks;
- (c) the total number of cattle deaths reported in 2024-25 under National Animal Disease Control Programme (NADCP), State and district-wise;
- (d) the steps taken by the Government to ensure availability of vaccines and veterinary infrastructure in the country; and
- (e) whether the Government proposes to include poultry farmers under the Kisan Credit Card (KCC) scheme and if so, the time by which it is likely to be included and if not, the reasons therefor?

**ANSWER**

**THE MINISTER OF FISHERIES, ANIMAL HUSBANDRY & DAIRYING**

**(SHRI RAJIV RANJAN SINGH ALIAS LALAN SINGH)**

- (a) to (e) statement is laid on the Table of the House.

**STATEMENT REFERRED IN REPLY OF LOKSABHA STARRED QUESTION NO. 371 PART (a) to (e) on NATIONAL ANIMAL DISEASE CONTROL PROGRAMME**

- (a) The Department of Animal Husbandry & Dairying (DAHD), Government of India (GOI) does not have any system to register and maintain the data of Dairy farms. However, DAHD, GOI has established seven Central Cattle Breeding Farms (CCBF) for development and propagation of elite germplasm in the country. Further, under Rashtriya Gokul Mission, 132 Breed Multiplication Farms (BMFs) have been sanctioned with an aim to produce high genetic merit animals and to ensure availability of bovine animals for the dairy farmers. The details of Central Cattle Breeding Farms (CCBF) and Breed Multiplication Farms (BMF) are at **Annexure-I and II**.
- (b) Animal Husbandry is a State subject. DAHD, GOI does not have any scheme to compensate the farmers affected due to Lumpy Skin Disease (LSD). However, Financial assistance is provided to the States/UTs on sharing basis as per the demand under Assistance to State for Control of Animal Diseases (ASCAD) of Livestock Health & Disease Control Program (LHDCP) for procurement of vaccines for carrying out vaccination against Lumpy Skin Disease (LSD). More than 30.41 crore cattle have been vaccinated against LSD so far.
- (c) The total number of cattle deaths reported in 2024 and 2025 due to the disease covered under National Animal Disease Control Programme (NADCP), State and district-wise is placed as **Annexure-III**.
- (d) Under NADCP, vaccination is covered for disease namely Foot & Mouth Disease (FMD), Brucellosis. Steps taken to ensure the availability of vaccines and Veterinary infrastructure are outlined as under:
- i. Financial support is provided to States/Union Territories (UTs) for procurement of vaccination accessories, strengthening of cold chain infrastructure for maintaining quality of vaccination.
  - ii. Financial support is provided to Indian Council of Agricultural Research (ICAR) institutions for vaccination related activities like preparation of sampling plan, quality testing of vaccine as per Standard Operative procedure (SOPs), sero-surveillance and sero-monitoring, identification of circulating strain.
  - iii. The Standard Operative procedure for quality testing of vaccine is made in consultation with ICAR institutes and testing is done through designated laboratories.
  - iv. Centralized procurement of quality vaccine is done by Department and supplied to respective States/UTs as per their requirement.
  - v. The supply of the quality vaccine is done at District /focal point determined in consultation with States/UTs.
  - vi. Apart from above, the following support is also provided by the Department:
    1. Under the Animal Husbandry Infrastructure Development Fund (AHIDF) incentivizing investments by individual entrepreneurs, private companies, Farmers Producers Organizations (FPOs) and Section 8 companies to establish Veterinary Vaccine and Drugs production facilities as per the guidelines.
    2. Under Assistance to States for Control of Animal Disease (ASCAD) support is provided to State/UT on sharing basis for strengthening of Disease Diagnostic Laboratories and Biological Production Units (BPUs) for diagnosis and production of diagnostic kits/vaccines.
- (e) DAHD, GOI has provided the Kisan Credit Card (KCC) facility to all eligible farmers including poultry farmers under the “Modified Interest Subvention Scheme” in 2019. As of 27.06.2025, a total of 88,630 KCCs have been provided for poultry farmers.

**Details of Central Cattle Breeding Farms (CCBF)**

1. Central Cattle Breeding Farm (CCBF), Chiplima, Sambalpur (Odisha)
2. Central Cattle Breeding Farm(CCBF), Sunabeda, Koraput (Odisha)
3. Central Cattle Breeding Farm(CCBF), Suratgarh (Rajasthan)
4. Central Cattle Breeding Farm(CCBF), Dhamrod, Surat (Gujarat)
5. Central Cattle Breeding Farm(CCBF), Alamadhi, Chennai (Tamil Nadu).
6. Central Cattle Breeding Farm(CCBF), Andeshnagar, Lakhimpurkheri (Uttar Pradesh)
7. Central Cattle Breeding Farm(CCBF), Centre of Excellence for Animal Husbandry, Hessarghatta, Bangalore (Karnataka)

## Details of Breed Multiplication Farms (BMF)
