- (c) the details of the total number of trained front-line employees working in Railways to provide first aid services, State and district-wise; and**
- (d) the number and the details of railway stations in the said States where railway ambulances have been made available, station-wise?**

ANSWER

**MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND
ELECTRONICS & INFORMATION TECHNOLOGY
(SHRI ASHWINI VAISHNAW)**

(a) to (d): A Statement is laid on the Table of the House

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF LOK SABHA STARRED QUESTION NO. 58 TO BE ANSWERED ON 23.07.2025

(a) to (d): The need and extent of providing medical facilities at railway stations and in trains was examined by Hon'ble Supreme Court. In compliance of the orders, a committee of experts was constituted at All India Institute of Medical Sciences (AIIMS), New Delhi. As recommended by Committee of experts, instructions have been issued to provide a Medical Box containing life saving medicines, equipments, oxygen cylinder etc. at all Railway stations and passenger carrying trains.

Front line staff i.e. Train Ticket Examiner, Train Guards/Superintendents, Station Master etc. are trained in rendering First Aid. Regular refresher courses are conducted for such staff. 16,14,748 front line railway employees have been trained (from 01.04.2022 to 30.06.2025) to handle medical emergency effectively. List of near-by hospitals and doctors along with their contact numbers is available at all Railway Stations.

Ambulance services of Railways, State Government/Private Hospitals and ambulance service providers are utilized to transport the injured/sick passengers to the hospitals/doctor's clinics.
