The list of tissue banks may be seen on the web link <https://www.notto.mohfw.gov.in/approvedhospitalslist.htm>.

(b): The number of organs donated and transplanted by the organization during the last five years, as reported by States/UTs, is as follows:

Year	Total Organ Donors	Total Organ Transplants
2020	6812	7443
2021	11198	12259
2022	14300	16041
2023	16542	18378
2024	16597	18910

(c): The details of the data in respect of donors and recipients of organs of all States/UTs wise including Chhattisgarh is placed at **Annexure**.

(d) & (e): NOTTO along with Regional Organ and Tissue Transplant Organizations (ROTTOs), State Organ and Tissue Transplant Organizations (SOTTOs) organize awareness programs across the country to disseminate information to promote organ and tissue donation. These organizations also engage with various stakeholders namely Government Ministries and Departments, Municipal Corporations, PSUs, professional societies, NGOs, community-based groups, schools, universities, medical, nursing and other institutions, corporates, police department, media etc. to promote and sensitize about organ and tissue donations. Various awareness activities like transplant games, poster making, slogan writing, special pledge campaigns are organized regularly.

The NOTTO website [www.notto.mohfw.gov.in](http://www.notto.mohfw.gov.in) disseminates information about organ and tissue donation including display of IEC Materials. Also, a 24x7 call centre having a toll-free helpline number (1800114770) is functional to provide information, tele-counselling and coordination for organ donation. Dissemination of messages through social media (Facebook, Twitter, Instagram, YouTube Channels of NOTTO) is being done on day-to-day basis.

To facilitate citizens to pledge for organ and tissue donation, a dedicated web portal <https://notto.abdm.gov.in> is functional through which till now more than 3.2 lakh Aadhaar verified pledges have been registered since 17<sup>th</sup> September, 2023.

Under NOTP, grants are provided to States depending upon the proposals received, for establishing ROTTos and SOTTOs, augmenting infrastructure in public sector for setting up Organ Transplant/Retrieval Centers and Tissue Banks, hiring of Transplant Coordinators by Government Medical Colleges and Trauma Centers, maintenance of deceased donors, organ transport, post- transplant immune-suppressant medicines, carrying out awareness, training and capacity building activities etc. States are encouraged to take proactive actions to further strengthen the transplantation programme, including awareness programme at State level.
