

GOVERNMENT OF INDIA
MINISTRY OF CHEMICALS AND FERTILIZERS
DEPARTMENT OF FERTILIZERS

LOK SABHA

UNSTARRED QUESTION NO. 1094 TO BE ANSWERED ON: 25.07.2025

PRODUCTION OF FAKE FERTILIZERS IN RAJASTHAN

1094: SHRI AMRA RAM:

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) the number of fake fertilizers production factories uncovered in Rajasthan and the action taken against them till date;
- (b) whether it is true that other pesticides and nano urea are being forcibly given to farmers along with fertilizers, if so, the details thereof and the estimate therefor;
- (c) whether any Government agency is involved therein and if so, the details thereof along with the action taken against such Government agency; and
- (d) whether any responsibility is fixed against the authorities for the loss caused to the farmers due to unavailability of DAP and other fertilizers on time and if so, the details thereof?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) As per the information received from the State Government of Rajasthan, Fertilizer Inspectors inspected manufacturers of chemical fertilizers, organic fertilizers and potash derived from molasses (PDM) located in Kishangarh, Ajmer. Out of which, seizure and FIR proceedings had been initiated against 16 companies. Authorization letter of 13 companies have been cancelled.

(b) & (c) Tagging/linking of other products with fertilizers is not encouraged by Department of Fertilizers. Accordingly, suitable directions are issued to fertilizer companies directing them not to indulge in such practices. Further, State Governments are also advised to take strict action under the Fertilizer Control Order (FCO) – 1985 to prevent tagging.

Further, no such case has been reported by the State Government of Rajasthan.

(d) The availability of DAP in the State of Rajasthan has remained adequate during the ongoing Kharif 2025 season. From 01.04.2025 to 22.07.2025, 2,27,000 Metric Tons of DAP has been made available in the State of Rajasthan and the State currently holds a closing stock of 61,000 Metric Tons of DAP.
