Further, Central Allocation of Rs. 39,663.73 cr. has been earmarked for the FY 2025-26 under NHM.

"Public Health and Hospitals" is a State subject, the primary responsibility of strengthening public healthcare system, including for provision to address the existing disparities in rural and underserved health sector lies with the respective State Governments. Proposals are received from all States/ UTs in the form of Programme Implementation Plans (PIPs). Government of India provides approval for the proposals in the form of Record of Proceedings (RoPs) as per norms & available resources.

The details for the approvals provided under NHM can be accessed from the below link:

Under NHM, regular interactions are held with States/UTs. Various mechanisms exist to assess the

implementation and progress of NHM like:

• Review of key deliverables of Record of Proceedings of previous financial year during the NPCC meetings,

• Common Review Missions (CRM) are conducted regularly in the States/UTs which looks at financial systems and physical implementation of the program. Reports on CRMs may be accessed from below link:

https://www.nhm.gov.in/index1.php?lang=1&level=1&sublinkid=795&lid=195.

• Financial Monitoring Reports (FMRs) are submitted by the States/UTs on monthly basis.

• Subsequent instalments released to the State/UTs based on compliance of guidelines of Department of Expenditure, Ministry of Finance.

Further, monitoring and evaluation of the progress of all States/ UTs is assessed, through review meetings, video conferences & field visits of senior officials.
