**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION  
(SHRI JAYANT CHAUDHARY)**

(a) & (b): The Navodaya Vidyalaya Scheme envisages for opening of one Navodaya Vidyalaya (NV) in each district of the country. Opening of new NVs is a continuous process which depends on the willingness of the concerned State Government/UT administration to make available requisite suitable land, free of cost, for construction of the permanent building and making available required temporary building, free of rent, to run the Vidyalaya till the permanent building is constructed. Sanction and opening of new NVs depends on approval by the competent authority as per extant procedures. At present, 666 districts of the country have been covered under the scheme and total 689 NVs have been sanctioned so far in the country including 23 additional NVs.

(c): As on date, 33 districts of Rajasthan have been covered under Navodaya Vidyalaya Scheme and total 35 NVs are functional in the State, including additional NV at Banswara District (ST Concentrated) and Sri Ganganagar District (SC Concentrated). No new NV has been set up in Rajasthan State during the last five years.

(d) & (e): The NVs are sanctioned district-wise, as per the Scheme. An NV is already functioning in the Dausa District of Rajasthan since 1992-93.
