- (c) the actions taken against such unauthorised transactions; and
- (d) the steps taken to recover such ineligible transfers, if any?

ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of farmers with cultivable land-holding. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal instalments, into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode. Under the PM-KISAN Scheme, cultivable landholding is primary eligibility criteria to receive benefit of the Scheme subject to some certain exclusions relating to higher income status.

A farmer-centric digital infrastructure has ensured the benefits of the scheme reach all the farmers across the country without involvement of any intermediaries. Maintaining absolute transparency in registering and verifying beneficiaries, the

Government of India has disbursed over Rs 3.69 lakh Cr. through 19 installments since inception of the Scheme. The instalment-wise details of the same is attached at Annexure.

(b) to (d): Benefits of the PM-KISAN scheme are transferred to the beneficiaries through Direct Benefit Transfer (DBT) mode, based on the verified data received from the States/UTs on the PM-KISAN portal. To ease the registration process for farmers and bring in transparency and efficiency in implementation of the Scheme, several technological interventions were introduced, including integration with PFMS, UIDAI, and the Income Tax Department. Further, land seeding was made mandatory along with Aadhaar based payment and e-KYC. The benefits of the farmers, who did not complete these mandatory criteria, were stopped. As and when these farmers complete their mandatory requirements, they receive the benefits of the scheme along with their due installments, if any.

States/UTs have been mandated to recover any amount transferred to ineligible farmers marked due to higher income groups such as income tax payees, employees of PSUs, State/Central Govt., Constitutional post holders etc. An amount of Rs. 416 Cr. has been recovered from the ineligible beneficiaries so far across the country.
