ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a) to (g): The primary goal of SaansadAdarsh Gram Yojana (SAGY) was the holistic development of three Adarsh Grams by March, 2019 and thereafter, five such Adarsh Grams (one per year) till 2024 through the leadership and guidance of Hon'ble Members of

Parliament (MPs). An Adarsh Gram emerged from a shared vision of the community, leveraging people's capabilities and available resources to the fullest extent, with active facilitation by the Member of Parliament, Gram Panchayat, civil society, and government institutions.

SAGY is a 100% convergence based scheme without allocation of any funds for developmental projects undertaken under the scheme. Resources for SAGY projects are mobilized from the funds available under Central & State schemes, CSR funds and Member of Parliament Local Area Development Scheme (MPLADS) fund & Member of Legislative Assembly Development Scheme (MLALAD) fund. The VDP implementation progress is being regularly updated on SAGY Portal (saanjhi.gov.in).

SaansadAdarsh Gram Yojana (SAGY) is monitored through periodic reviews by two National Level Committees, chaired by the Hon'ble Minister of Rural Development and the Secretary of Rural Development. In addition, it is also monitored by a State Level Committee, headed by the Chief Secretary and a District Level Committee, led by the District Collector. The Ministry of Rural Development (MoRD) also reviews SAGY's progress in coordination with State Nodal Officers (SNOs), District Collectors, and Charged Officers. Monitoring mechanism also includes regular updates by States and Districts on the SAGY Portal.

Hon'ble Members of Parliament have identified total 3,361 Gram Panchayats under SaansadAdarsh Gram Yojana. Under these Gram Panchyats, a total of 2,33,564 development projects/activities have been completed. Now the selection of new GPs under SAGY has already completed on 31st March, 2024.
