INTEGRATED INFRASTRUCTURE POLICY UNDER PMAY-G

1609. Smt. DhanorkarPratibha Suresh:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) whether it is a fact that in Bedyabasti, Katoda, ArniTaluka, Yavatmal District, Maharashtra, houses have been sanctioned under the Pradhan MantriAwasYojana but beneficiaries are unable to reside in them due to lack of water facilities, district-wise;**
- (b) whether the Government is contemplating to formulate an integrated infrastructure policy to address such situation;**
- (c) whether in Bedyabasti, Katoda, ArniTaluka, Yavatmal District, Maharashtra, 47 families have got houses but basic amenities such as water, roads and toilets are lacking;**
- (d) whether the Government is contemplating to fix accountability of the concerned agencies for such incomplete implementation of the scheme;**
- (e) whether the Government has a list of other beneficiary groups in a similar situation as in Katoda village, Yavatmal district, if so, the details thereof and whether the construction of houses of beneficiaries is incomplete; and**
- (f) if so, the details thereof and mechanism in place to provide funds or facilities urgently in such cases?**

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(DR. CHANDRA SEKHAR PEMMASANI)**

(a) to (d): The Ministry of Rural Development is implementing the Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) w.e.f. 1st April, 2016 to provide assistance to eligible rural households for the construction of Pucca houses with basic amenities to achieve the objective of "Housing for All" in rural areas. Under the PMAY-G, the

initial target was construction of 2.95 crore houses during FY 2016-17 to 2023-24. The Government of India has approved the proposal for implementation of the scheme for 5 more years during FY 2024-25 to 2028-29 to provide assistance to 2 crore additional houses.

Under PMAY-G, there is no integrated infrastructure policy. However, in case of landless beneficiary the State shall ensure that the beneficiary is provided land from the government land or any other land including public land (Panchayat common land, community land or land belonging to other local authorities). For the selected land, adequate infrastructure, viz., electricity, road connectivity and availability of drinking water, solid & liquid waste management facilities, may be ensured.

In addition to the unit assistance provided under the scheme, assistance of Rs.12,000/- is also extended for construction of toilets through convergence with Swachh Bharat Mission – Gramin (SBM-G), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) or any other dedicated source of funding. Further, it is mandatory to provide support of 90/95 person days unskilled wage employment at the current rates to a PMAY-G beneficiary for construction of his /her house in convergence with MGNREGS. The PMAY-G households are also provided piped drinking water, Liquefied Petroleum Gas (LPG), renewable energy source and building material is also provided through convergence with different government programmes. Convergence under the scheme also involves inclusion of women members of PMAY-G households under the fold of Self Help Groups (SHGs) through NRLM to explore better livelihood opportunities.

The state Government of Maharashtra has reported that all PMAY-G beneficiaries are provided access to basic amenities such as water and toilets including beneficiaries in Bedya Basti, Katoda, Arni Taluka, Yavatmal District, Maharashtra. The Ministry allocates the targets to the State/UT as a whole and District-wise/Block-wise/Gram Panchayat wise targets are fixed by the State. The block wise detail of targets allocated, houses sanctioned and houses completed under PMAY-G in Yavatmal district of Maharashtra is at Annexure.

(e) & (f): No such cases have been brought to the notice of this Ministry.
