ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

The Government of India has launched several initiatives and programs to support the expansion of the IT sector. Software Technology Park (STP) is one such important scheme in this effort.

Under this scheme, STPI has established two (2) centres in Kerala at Thiruvananthapuram and Kochi respectively. Government of India is yet to receive a formal proposal from Government of Kerala for setting up STPI centre at Kozhikode.
