

GOVERNMENT OF INDIA
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY
LOK SABHA
UNSTARRED QUESTION NO. 1751
TO BE ANSWERED ON: 30.07.2025

IT HARDWARE MANUFACTURING UNITS

1751. SHRI MANI A:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the total number of IT hardware manufacturing units established in the country during the last three years along with the number of such units set up in the State of Tamil Nadu during the same period;
- (b) whether any such manufacturing units have been established, proposed or approved in or around the Dharmapuri Lok Sabha constituency and if so, the details thereof including location, investment size, employment generated and expected production capacity;
- (c) whether the Government has undertaken or proposes to undertake feasibility studies or site assessments for establishing electronics/IT hardware units in Dharmapuri district; and
- (d) the details of the steps being taken by the Government to promote balanced regional distribution of electronics manufacturing clusters especially in Tier-2 and Tier-3 districts like Dharmapuri in Tamil Nadu?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

(a) to (d): With an objective to boost domestic manufacturing and attract large investments in the IT Hardware value chain, MeitY launched PLI Scheme 2.0 for IT Hardware on 29.05.2023. Under this scheme, 27 companies have been approved. Out of these, 10 manufacturing units have been established in last 3 years as per details at Annexure I.

To promote balanced regional distribution of electronics manufacturing Government have launched various initiatives in last ten years which resulted in establishment of a strong electronics manufacturing ecosystem in India.

Government initiatives that made such transformation possible include:

- Production linked incentives (PLI) for large scale electronics manufacturing
- Production linked incentives (PLI) for IT hardware
- Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECES)
- Electronics Manufacturing Clusters (EMC and EMC 2.0) Scheme
- Public Procurement (Preference to Make in India) Order 2017 to prioritize domestically manufactured products in public procurement
- Reforms in taxation including rationalization of tariff structure, exemption on basic custom duty on capital goods, etc.

However, the locations of electronics manufacturing units are chosen by the companies based on supply chain linkage, infra structure support and other ease of doing measures provided by the states. Further, Government of India notified the EMC and Modified EMC (EMC 2.0) schemes to create world class

infrastructure along with common facilities and amenities including plug and play facility /ready built-up sheds for attracting major global electronics manufacturers along with their supply chains to set up their production facility in the country. These schemes are Pan India initiatives and total 22 clusters in EMC and 11 clusters in EMC 2.0 have been approved in 18 states across India including 2 clusters approved in state of Tamil Nadu. The details are enclosed at Annexure-II.

Annexure – I

List of manufacturing units under PLI Schemes for IT Hardware established in last 3 years

| S. No. | Company | State | Year |
|--------|--|----------------|------|
| 1. | Neolync Tele Communications Private Limited | Andhra Pradesh | 2022 |
| 2. | Plumage Solutions Private Limited | Puducherry | 2023 |
| 3. | Kaynes Electronics Manufacturing Private Limited | Karnataka | 2023 |
| 4. | Smile Electronics Limited | Tamil Nadu | 2024 |
| 5. | Bhagwati Products Limited | Uttar Pradesh | 2024 |
| 6. | Netweb Technologies India Limited | Haryana | 2024 |
| 7. | Goodworth Electronics Private Limited | Uttar Pradesh | 2024 |
| 8. | VVDN Technologies Private Limited | Haryana | 2024 |
| 9. | Syrma SGS Technologies Ltd. | Tamil Nadu | 2025 |
| 10. | HLBS Tech Private Limited | Madhya Pradesh | 2025 |

Annexure – II

Details of Clusters approved in Tamil Nadu

| S. No. | Location | Area | Implementing agency | Project Cost (Rs. in Cr.) | GIA (Rs. in Cr.) |
|--------|--|-------|---|------------------------------|---------------------|
| 1 | Pillaipakkam (Village), Sriperumbudur Taluk (Taluk), Kancheepuram (District) | 379.3 | State Industries Promotion Corporation of Tamil Nadu (SIPCOT) | 424.55 | 212.27 |

| | | | | | |
|---|-------------------------------|-------|--|--------|--------|
| 2 | Manallur, Tiruvallur District | 474.3 | | 587.47 | 293.74 |
|---|-------------------------------|-------|--|--------|--------|
