ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SHRI DURGADAS UIKEY)

(a) to (c): Government is implementing Development Action Plan for Scheduled Tribes (DAPST) as a strategy for the development of Scheduled Tribes and areas having tribal concentration in the country. Besides Ministry of Tribal Affairs, 41 Ministries/Departments are allocating certain percentage of their total scheme budget every year for tribal development under DAPST to bridge the developmental gap between Scheduled Tribes (STs) and non-ST

populations and for various tribal development projects relating to education, health, agriculture, irrigation, roads, housing, electrification, employment generation, skill development, etc. Schemes along-with funds allocated by the obligated Ministries/Departments for the welfare of Scheduled Tribes are given at Statement 10B of Expenditure Profile of Union Budget document in the link <https://www.indiabudget.gov.in/budget2024-25/doc/eb/stat10b.pdf>.

State Governments are also supposed to earmark TSP funds with respect to the total Scheme allocation, in proportion to ST population (Census 2011) in the State. The details of allocation and expenditure for TSP by States/UTs out of their own funds including Maharashtra are available at <https://statetsp.tribal.gov.in>.

Further, Ministry of Tribal Affairs is implementing various schemes/programmes for the welfare and development of the Scheduled Tribes (STs) in the country. The details of these schemes and the State-wise funds allocations made during last five financial years by the Ministry is given at **Annexure I**.

The Ministry of Tribal Affairs (MoTA), Government of India, implements its schemes through a range of agencies such as Tribal Co-operative Marketing Development Federation of India (TRIFED) which focuses on tribal product marketing and economic development; National Scheduled Tribes Finance and Development Corporation (NSTFDC) which provides credit and self-employment support; and National Education Society for Tribal Students (NESTS), which oversees Eklavya Model Residential Schools. Primarily, State Governments and Union Territory Administrations carry out the on-ground execution. State-level implementing agencies include State Tribal Welfare Departments and the state arms of national agencies (like TRIFED and NSTFDC).

Similarly, the obligated Ministries/Departments implement the schemes under DAPST through their respective state line departments and agencies.

(d): Ministries/Departments and NITI Aayog undertakes evaluation of CS and CSS schemes respectively through third party. NITI Aayog has conducted an Evaluation Study for the EFC cycle which ended in 2020-21 which covered the schemes namely Post Matric Scholarship, Pre-Matric Scholarship, Support to TRI, MSP for Minor Forest Produce, SCA to TSS, Development of PVTGs, Tribal Festival, Infrastructure, Mass Education. Some key findings under some schemes are as below:

1. The **Pre-matric and Post-matric Scholarship schemes for STs** have shown some progress, but both suffer from slow implementation and limited awareness at the school and college levels. States and stakeholders have highlighted the need for better communication, accountability, and capacity building to improve outreach and effectiveness. Strengthening scholarship renewal and grievance redressal mechanisms is also a priority for the post-matric scheme.
2. The **Support to Tribal Research Institutes (TRIs)** scheme remains highly relevant but requires a redesign in its objectives to function as effective think-tanks. Emphasis must be placed on quality research, stronger community engagement, improved fund flow systems, and capacity building. The Ministry must regularly track and monitor the scheme and invest in better human resources and institutional structures.

3. The **SCA to TSS** scheme is crucial for tribal communities but needs improvements in resource allocation, fund utilization, and project monitoring. Better systems for fund flow and stronger monitoring frameworks are necessary to ensure timely and effective implementation.

(e): the Ministry has undertaken two missions for development of STs through convergence of funds available with different Ministries/Departments under DAPST namely - Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM JANMAN) and Dharti Aaba Janjatiya Gram Utkarsh Abhiyaan.

PM JANMAN: Government launched Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM JANMAN) for socio-economic development of 75 PVTG communities residing in 18 states and one UT. The mission aims to provide basic facilities such as safe housing, clean drinking water and improved access to education, health and nutrition, road and telecom connectivity, electrification of unelectrified households and sustainable livelihood opportunities in 3 years. These objectives are planned to be met through 11 interventions including Hostels and Mobile Medical Units (MMUs) implemented by 9-line Ministries. PM JANMAN has total budgetary outlay of Rs.24,104 Cr (Central share: ₹15336 Cr and State share: ₹8768 Cr).

DAJGUA: Hon'ble PM launched Dharti Aaba Janjatiya Gram Utkarsh Abhiyan (DAJGUA) on 2nd October, 2024. The Abhiyan comprises of 25 interventions implemented by 17-line Ministries and aims to saturate infrastructural gaps in 63,843 villages, provide social infrastructure like hostels, Anganwadi facilities and mobile medical units and set up Van Dhan Vikas Kendras to provide livelihood opportunities benefiting more than 5 crore tribals in 549 districts and 2,911 blocks in 30 States/UTs in 5 years. The Abhiyan has a total budgetary outlay of Rs.79,156 Cr (Central share: ₹56,333 Cr and State share: ₹22,823 Cr).

Committees have been formulated at the State, District, and Block levels to ensure effective implementation, coordination, and monitoring of the Dharti Aaba Janjatiya Gram Utkarsh Abhiyan. At the State level, a State-Level Apex Committee (SLAC) chaired by the Chief Secretary has been constituted. At the District level, a District-Level Committee, chaired by the District Collector and at the Block level, a Block-Level Implementation Teams (BLITs) comprising officers from various departments have been set up to facilitate grassroots implementation of interventions.

Apart from this, MoTA also conducts review meetings with the obligated Ministries/Departments. Nodal officers are also appointed in the respective Ministries/Departments.

(f): Ministry of tribal Affairs monitors the Monthly Progress Reports submitted by the States/UTs. MoTA has been issuing directions and guidelines from time to time on various aspects to ensure proper implementation of the Act. Further review meetings are regularly being held from time to time with the State Tribal Welfare Department and concerned authorities. DC/DMs have been advised to dispose of all pending FRA Claims in time. Grievances

/representations received in the Ministry regarding violation of FRA are forwarded to the State / UTs concerned, to ensure that legitimate claimants are not denied their forest rights.

Also, to enhance the comprehensive implementation of the FRA, MoTA has been providing financial support to the districts under 'Dharti Aaba Janjatiya Gram Utkarsh Abhiyan' (DA-JGUA)' for setting up dedicated FRA cells at the State and district/subdivision levels, for a period of two years. The ministry is urging states to prepare an FRA Atlas to map the potential forest areas which can be considered under FRA and undertake capacity building of all stakeholders. Further, Ministry has been providing financial support to the State Tribal Welfare Department for development and maintenance of the state specific FRA portal (which includes dedicated server, cost of software, hardware, security audit, digital mapping of land records and other operational costs) under DA JGUA.

(g): As per FRA and Rules made thereunder, the State Governments are responsible for implementation of various provisions of the FRA. As per the latest information reported by States and collated under MPR- FRA is being implemented in States -20 states 1 UT. As on 31.05.2025, a total number of claims filed under FRA is 51,23,104 out of which 85.47% claims have been disposed of and claims and **25,11,375 titles (49.02%)** have been distributed over the extent of 2,32,73,947.39 acres of forest land. The State-wise details showing distribution of FRA Titles, as on 31.05.2025 is at **Annexure II**.
