ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SHRI JAYANT CHAUDHARY)

(a) to (h): With regard to Result of students of Class 10 and 12 conducted by Central Board of Secondary Education (CBSE) reports were received from Chief Nodal Supervisors of the evaluation centres regarding use of mass copying by the candidates who appeared at two (02) examination centres located at Bargarh (Odisha) viz. Padampur Public School, P.O. Padampur, Bargarh and Odisha Adarsha Vidyalaya,

Bandupali, Bargarh. A detailed enquiry into the matter was conducted. Subsequently, the report was considered by the unfair means committee of the board and the recommendations of the committee were accepted by the board.

The results of total 1185 candidates who appeared at these 02 examination centres were initially placed under 'Result Later' category when the results of the Board Examinations for Class X and XII were declared on 13.05.2025. Results of concerned subjects of 885 students involved in copying (369 Class X and 516 Class XII) were cancelled. Consequently, students eligible for compartmental and other relief could appear in the compartmental examinations. The rest of the 300 (239 Class X and 61 Class XII) students have been exonerated. The final results of the 1185 students were declared on 26.05.2025 after completion of due enquiry. Academic staff of the schools concerned were put under disciplinary action.
