## GOVERNMENT OF INDIA MINISTRY OF RURAL DEVELOPMENT DEPARTMENT OF RURAL DEVELOPMENT

# LOK SABHA UNSTARRED QUESTION NO. 265 ANSWERED ON 22/07/2025

#### **GUARANTEED WORK DAYS UNDER MGNREGS**

#### **265. SHRI B Y RAGHAVENDRA:**

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the average number of days of work provided under the Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) during the last five years, district-wise in Karnataka;
- (b) whether the Government has conducted any studies or assessments to explore the possibility of increasing the guaranteed workdays beyond 100 and if so, the details thereof;
- (c) the current list of permissible works under MGNREGS;
- (d) whether the Government has any plans to expand the list by including new types of work, especially considering the unique geographical and environmental challenges of the Malnad region, which, being hilly terrain, requires a more flexible approach in the nature of works permitted under the scheme; and
- (e) the details of fund allocation and expenditure under MGNREGS in Karnataka, particularly in the Malnad region, during the said period?

#### ANSWER

### MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI KAMLESH PASWAN)

(a): District-wise details of average days of employment provided per households in Karnataka under Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) in the last five financial years from 2020-21 to 2024-25 are given at Annexure-I.

(b): Mahatma Gandhi NREGS is a demand-driven wage employment Scheme that provides for the enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work. It provides fall-back options for livelihood security for rural households when no better employment opportunity is available. The Ministry mandates the provision of an additional 50 days of wage employment (beyond the stipulated 100 days) to every Scheduled Tribe Household in a forest area, provided that these households have no other private property except for the land rights provided under the Forest Rights Act (FRA), 2006.

In addition to this, there is a provision for up to an additional 50 days of wage employment in a financial year in drought/natural calamity-affected notified rural areas.

Further, the State Governments may make provision for providing additional days of employment beyond the period guaranteed under the Act from their own funds.

- (c): The list of 266 permissible works under Mahatma Gandhi NREGS is given at Annexure-II.
- (d): As per Section 29 of the Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA), Central Government may add new works to the permissible list of works under Schedule 1 of the Act. Adding new works under Schedule 1 of the Act is a regular exercise and new works are added on the basis of merit in alignment with the focus and objectives of the Act.

The demand from States to add new works to the list of permissible works is examined in consultation with stakeholders and experts. Also, the list of permissible works is reviewed annually by a Committee of Central Government officers having officers from different States as members of the Committee. Accordingly, at present, there are 266 permissible works under Mahatma Gandhi NREGA.

(e): Mahatma Gandhi NREGS is a demand driven wage employment scheme. There is no State/UT-wise allocation of funds under the

Scheme. Wage payments are directly credited by the Central Government to the account of beneficiaries through the Direct Benefit Transfer protocol.

The Central Government releases material and admin funds to the State Government and the State Government releases the funds to its Districts accordingly. The government of India does not release material funds directly to the Districts.

Details of funds released to the State of Karnataka and expenditure incurred (including State share) under Scheme in the last five financial years from 2020-21 to 2024-25 are given below:

Financial Year	2020- 21	2021-22	2022- 23	2023- 24	2024-25
Fund released (Rs. In crore)	5500.99	6028.08	6225.28	5415.74	5694.73
Expenditure including State share (Rs. In crore)	5636.18	6202.61	6597.55	6617.42	6406.68

The malnad region consists of part of the Uttara Kannada, Shivamogga, Chikkamagaluru, Udupi, Belagavi, Dakshina Kannada, Hassan, Kodagu districts of Karnataka. Expenditure incurred under the scheme in Malnad region during the last five financial years from 2020-21 to 2024-25 are given below:
