- (b): Agriculture being a State subject, the State Governments undertake implementation of agricultural schemes/programmes for the welfare of farmers and the Government of India also supplements these efforts through implementation of various central sector/centrally sponsored

schemes/programmes. The Central Government has adopted and implemented the number of policies, reforms, developmental programmes for agriculture sector in the country for farmers including marginal farmers in terms of access to credit, training, and infrastructure such as:

(c) & (d): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of cultivable land-holding farmers. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal Instalments, directly into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode. Under the PM-KISAN Scheme,

cultivable landholding is primary eligibility criteria to receive benefit of the Scheme subject to some certain exclusions relating to higher income status.

A farmer-centric digital infrastructure has ensured that the benefits of the scheme reach all eligible farmers across the country without involvement of any intermediaries. In the State of Maharashtra, all payments are made via the Aadhaar mode using Direct Benefit Transfer (DBT). Maintaining absolute transparency in registering and verifying beneficiaries, the Government of India has disbursed over Rs 3.69 lakh Cr to farmers in 19 installments since inception. The district-wise data of the beneficiaries covered and amount released to them in the State of Maharashtra is attached at **Annexure**.

(e) to (h): Benefits of the scheme are transferred to the beneficiaries through Direct Benefit Transfer (DBT) mode, based on the verified data received from the States/UTs on the PM-KISAN portal. The scheme initially started on a trust-based system, where beneficiaries were registered by the states on self-certification basis. Initially, Aadhaar seeding was also relaxed for some of the States. Later on, to address this, several technological interventions were introduced, including integration with PFMS, UIDAI, and the Income Tax Department. Further, land seeding was made mandatory along with Aadhaar based payment and e-KYC. The benefits of the farmers, who did not complete these mandatory criteria, were stopped. As and when these farmers complete their mandatory requirements, they will receive the benefits of the scheme along with their due installments, if any.

States/UTs are mandated to recover any amount transferred to ineligible farmers marked due to higher income groups such as income tax payees, employees of PSUs, State/Central Govt., Constitutional post holders etc. An amount of Rs. 416 Cr. has been recovered from the ineligible beneficiaries so far across the country.

**Annexure referred to in reply to part (c) & (d) of Lok Sabha Unstarred Question No. 283 regarding “Status of Marginal Farmers” due for 22.07.2025**
