ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (d) The Detailed Project Report (DPR) involving alignment study, feasibility study, pre-construction activities (including assessment of Land Acquisition) for Angamaly – Kundannoor (Ernakulam) bypass has been awarded. The award of civil construction work can be taken up based on the outcome of DPR, statutory clearances and pre- construction activities depending upon projected traffic, techno - economic viability, synergy with PM Gati Shakti National Master Plan and inter-se-priority. It is premature to ascertain the completion time and estimated expenditure etc till the DPR is finalised.
