The scheme period has been extended up to 31.12.2025 to complete sanctioned houses without changing the funding pattern and implementation methodology. Based on the learnings from the experiences of implementation of PMAY-U, MoHUA has revamped the scheme and launched PMAY-U 2.0 'Housing for All' Mission with effect from 01.09.2024 for implementation in urban areas across the country to support 1 crore additional eligible beneficiaries in next five years. PMAY-U 2.0 is implemented through four verticals i.e., Beneficiary Led Construction (BLC), Affordable Housing in Partnership (AHP), Affordable Rental Housing (ARH) and Interest Subsidy Scheme (ISS).

Based on the project proposal submitted by States/Union Territories (UTs), a total of 119.26 lakh houses including 7.09 lakh under PMAY-U 2.0, have been sanctioned under PMAY-U by the Ministry, so far. Out of which 112.81 lakh houses have been grounded and 93.61 lakh are completed/delivered to the beneficiaries across the country as on 14.07.2025. Providing universal coverage of sewerage & septage management in 500 AMRUT cities is one of the major focus areas of AMRUT 2.0. Rejuvenation of water bodies, development of green spaces and parks are other components of the Mission.

Under AMRUT & AMRUT 2.0, States/UTs have been empowered to select appraise, propose and implement projects.
