- (e) whether any proposal from Bihar for the AYUSH Medical College and Hospital in Gopalganj district has not been received so far and if so, the details thereof and the reasons therefor; and
- (f) the measures taken by the Government in this regard?

**ANSWER**

**THE MINISTER OF STATE (IC) MINISTRY OF AYUSH**  
**(SHRI PRATAPRAO JADHAV)**

(a) & (b) Public Health being a State subject, establishment of new Ayush colleges in the State comes under the purview of respective State/UT Governments. Government of India implements Centrally Sponsored Scheme namely, National Ayush Mission (NAM), under which there is a provision of financial assistance for setting up of Ayush Educational Institutional in the States where availability of Ayush teaching institutions is inadequate in Government. State/UT Government may avail eligible financial assistance by submitting the suitable proposals through State Annual Action Plans (SAAPs) as per the provision of NAM guidelines. Currently, there is no proposal to setup Ayush Medical College in Gopalganj, Bihar.

(c) The Ministry of Ayush sets national-level policies and standards for education and practice, accordingly, manages vacancies in respect of that organisation which comes under the domain of Ministry of Ayush i.e. Research Councils, and National Institutes. However, as health being a State subject respective State / UT Government are responsible for the administration and recruitment for Government AYUSH colleges within their respective State / UT. Therefore, vacancy positions in Bihar's state-run AYUSH colleges are managed by the Bihar Government.

(d) No such proposal has been sent by Ministry of Ayush to Government of Bihar.

(e) & (f) No such proposal has been received from Government of Bihar.
