Proposals/Applications for new JSSs are invited through open Expressions of Interest (EOI), which are published in national newspapers and on the official website of the MSDE.

(c) & (d) The total budgetary allocation under the Jan Shikshan Sansthan (JSS) Scheme for the current financial year 2025–26 is ₹185 crore. The details of the total funds

released/utilised under the scheme across the country from FY 2022–23 up to 30th June 2025 are at **Annexure-II**. There is no scheme titled “Joint Solar Energy Scheme” being implemented under the Ministry of Skill Development & Entrepreneurship (MSDE).

(e) In case of Jan Shikshan Sansthan (JSS), the scheme is being implemented through Skill India Digital Hub (SIDH) portal where the training data is maintained and the progress is monitored regularly. To ensure the efficient utilization of fund, the annual Utilization Certificates (UCs) in the prescribed General Financial Rules (GFR) -12A form along with the audited reports are obtained from each JSS, which is duly certified by a Chartered Accountant. Thereafter, the audited accounts of the JSS are settled every year accordingly. The cases of non-utilisation/misutilisation are dealt as per the JSS Guidelines which may lead to de-recognition of the Non-Governmental Organization (NGO) from the JSS Scheme.
