ANSWER

**MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS AND MINISTER OF
STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS
[SHRI HARSH MALHOTRA]**

- (a) In the CSR Legal framework, the term ‘Non-Government Organisations (NGO)’ has not been defined, however, Section 135 of the Act read with Rule 4(1) of the Companies (CSR Policy) Rules, 2014 prescribes that the Board of the company is empowered to undertake its CSR activities either by itself or through prescribed Implementing Agency(ies).**
- (b) The CSR architecture is disclosure based and CSR mandated companies are required to file details of its CSR activities annually in MCA21 registry. All data related to CSR filed by companies in MCA21 registry including company-wise, state-wise, district-wise and development sector-wise are available on public domain at www.csr.gov.in. The CSR data of the funds allocated / utilized by the Implementing Agencies and project-wise CSR expenditure is not specifically maintained by the Ministry. However, on the basis of the filings made by the companies in the MCA21 registry, district-wise CSR expenditure by PSUs in Uttar Pradesh during last three Financial Years (FY) i.e 2021-22 to 2023-24 is at Annexure.**
- (c) The Government has not issued any guidelines for selection of beneficiaries or allocation of funds. It is responsibility of the Boards of the companies based on the recommendation of CSR committee. However, the Government has stipulated provisions in CSR legal framework to ensure that expenditure is done for projects in any of the designated areas of activity and the expenditure is done as per norms of audit and financial prudence as applicable to companies under the Companies Act, 2013.**
